We Urge A Yes Vote-G

Editorials

By Jenny Kirkpatrick
Yes on G
We support and urge the passage of proposition G - The Park Bond Issue. The cost of the bonds is already being paid for by the 10 cent levy in the City tax bill, so it isn't a matter of raising taxes, but of approving the spending of the accumulated money. The passage of the Proposition G will assure orderly growth of parks in Upland. This growth is needed now. We recommend a yes vote on G.

We urge voting on Tues., Nov. 5 at the proper polling place. If you expect to be away from home on election day, arrange to cast an absentee ballot. Upland Voters, the polls need your VOTE on election day.

Seventy-Fourth Year No. 34

Upland, California, Wednesday, October 30, 1968

48 Pages Ten Cents

THE BEST TIME OF THE YEAR—It's autumn and its approach is heralded by scenes and memories of harvesting, and particularly pumpkins. It is also the time of Halloween with ghosts and goblins and trick and treating, apple cider and doughnuts. Is there a happier time in the year? Michael, Anne Marie and Mery Beth Chovancek don't think so.

What's Doing In Upland?

By Jenny Kirkpatrick

CIDER RECIPE REVEALED

Those who tasted the delicious hot spiced cider at the Disneyland concert were begging city employees Mary Ann Reiss, Pat Wayne, Alice Massey and Ginny Austin for the recipe. Well, the girls weren't sure where it had originated so a little detective work uncovered the source as Mike Adamson. He was kind enough to lend us a copy so it can be made up for Halloween festivities on Thursday. Where did he get it? From Reddy Kilowatt.

The recipe follows:
4 qts. apple cider, 1/2 cup sugar, 1 cup fresh orange juice, 1/2 fresh lemon juice, 2 sticks cinnamon, 1-1/2 tps. whole cloves, cup up rind of one orange and one lemon. Heat 2 qts. of cider with sugar, orange and lemon juice, cinnamon, cloves and cut up rind on high heat until it boils. Turn to low and simmer 10 minutes. Pour through strainer into remaining two quarts cold cider and serve while still warm. Yields 4-1/2 quarts.

GUESS WHO CAME TODINNER?

Would you believe 175 band members for dinner? That was the number hosted at a BBQ Saturday by Mr. and Mrs. Phillip Dial. Their daughters, Phyllis and Pat are members of the Cal State

Long Beach band, and the band was in Ontario for the tournament of bands, so the girls thought it was a great idea to have the band up for a BBQ.

Hubby Phillip, had three BBQ's going at once and outside help via the neighborhood and in the persons of Mrs. Pat Wright, and her daughter, Susie. One of the buses broke down, the eager and hungry members got out and pushed it to get it started on its way to the BBQ. Wide-eyed neighbors did a flip when three Greyhound buses came thundering down the street. All in all, it was a "great success," said Mrs. Dial.

Ho Hum! and The VOTE!

It hasn't been an inspiring election campaign and this has led to a Ho Hum! attitude by most voters, who feel a general apathy. However, this is not the time for apathy and uninspiring as the election might look, everyone should make a selection on candidates and issues that mean something to him, no matter how Ho Hum! he feels. Elected officials make and administer our laws and decide on the role of government in our lives and how our tax money is spent. It is a right and duty of an American citizen to vote, no matter how Ho Hum! he feels.

Fire Station Teen Center?

Moving day for the teen center may be near at hand with the old fire station as its destination. The matter was approved at the Parks and Recreation Committee meeting Monday night and needs only the approval of the city council.

In the past months, the location for the teen center has been a problem. It has been housed in the old justice court building on Ninth street and First avenue.

The building, owned by Bill Vallon and Larry Magnon, will be rented if possible. They have been very cooperative in the past, Councilman Ronald Rossitter told the committee, but should be allowed to repossess it now so they can rent it as they desire.

Many sites have been suggested for the center, old church buildings, lemon packing houses and the old Upland college. However, it was felt that the location should remain within the up-town area.

Elwin Alder, city manager, told the group that the city had planned to use the building for offices, but would use the old library building instead. The \$300 month rent paid out for the teen center on Ninth would be allocated to fixing up the fire station and save money in the long run, he added.

Upland Park Bond Issue Discussed And Endorsed

(Ed's Note: Because of a time limit, it was not possible to contact all of the members of the Parks and Recreation Committee for comment on the Park Bond Issue. The two chosen were selected at random.)

The \$650,000 park bond issue on the ballot known as Proposition G, has a two-fold purpose, acquire sites and develop parks, including purchase of recreational equipment.

The city has listed the spending of the money in the following manner: Acquire five acre sites in the following locations, Sycamore school, Valencia school, W. 18th st. school site and a southwestern quadrant, west of Upland College. This will account for \$300,000 of the money. Listed for development are Baldy View restrooms, finish Magnolia park, fully develop Citrus and Sierra Vista parks, partially develop Sycamore park and build Memorial park pavillion. This accounts for \$310,000. Councilmen and park and recreation members endorse the measure as necessary and made the following comments.

Hawkins Statement

Councilman Max Hawkins, Jr. "It is an opportunity to develop parks that we need now without raising taxes." Councilman Zelma Stone, "It is an opportunity to acquire sites before land gets more expensive and to develop parks without raising taxes."

Councilman Ronald Rossitter said of the park bond issue, "The park bond proposal needs to be passed so we can obtain the necessary capital to provide parks as we go and pay for them over the years. It is equally important to develop parks as it is to acquire sites. I will follow the plan as proposed. We must do so if we are to keep faith with the people of Upland."

Councilman James Christensen had this to say about the measure, "The park bond issue is very important to the city of Upland. We need to develop parks so that we can use them now. The 10 cents for parks is already being paid for in the tax bill so no increase in taxes is necessary. We need to use the money to buy park sites and develop the sites we have. I will insist that park development will be as important as buying the sites and will keep the faith with the voters by insisting we follow the proposal on park development as it is listed. I will not stand by and see a spade of dirt turned over and call it park development. When it says full development of a park, that is what we'll do."

Mayor George Gibson endorsed the park bond issue and said

this about the measure.

"It is very important that it pass. It is one way we can use the park bond money that has been accrued by the 10 cent tax on the city tax bill. It will not raise taxes, and if we use the money now before rising prices we will get more for our money at the least expense. Park development is as equally important as buying sites. Our neighborhood parks have been very popular and we need more. We (the council) are morally obligated to use the money as it is proposed in the proposition, and I personally will follow through in carrying it out."

Howard Merrill, parks and

recreation committee, "It is an opportunity to do more with the money now before land prices go any higher and stop inflation on site acquisition."

Mrs. Gordon Nicholson, parks and recreation committee, "The passage of the proposition is very necessary because the cost of land is rising, but it is also necessary to develop parks. One particular need in the community is for the community building in Memorial Park. It can be used by so many groups and be a real asset. I wish on the ballot they had said community building rather than pavillion, because what is planned is not an open outdoor thing, but a solid building adaptable to use by the community."

Two Upland Soldiers Vietnam War Victims

Two Upland soldiers were killed in Vietnam this week, apparently only a few days apart. Army PFC Wayne Joseph Benes, 24, son of Mr. and Mrs. Joseph Benes, 502 E. 21st st., was killed Friday by enemy rifle fire while serving with a helicopter rescue service based near Mytho, Vietnam, according to notification received by the parents.

Wayne Benes

Funeral services were held Tuesday afternoon at Stone Funeral Home.

The young soldier lived in Upland 20 years and was director and instructor for Westward Ho Riding Stables, Upland, before entering the service in March this year. He was a native of Chicago. He graduated from Upland high school in 1963 and from Chaffey college in 1965.

He also studied at Cal Poly. Besides his parents, he is survived by two sisters, Beverly and Jody at home; maternal grandmother, Mrs. Mary Vesely, Ontario; and several aunts and uncles. There is also a fiancée, Miss Dee Byrket, of Claremont.

Interment was at Bellevue Cemetery.

Arthur J. Carl

The other Upland soldier killed was PFC Arthur J. Carl, son of Mr. and Mrs. Earl Carl, 1435 Yukiah Way. Funeral services for him are pending at the Cutter-Christian mortuary, Covina.

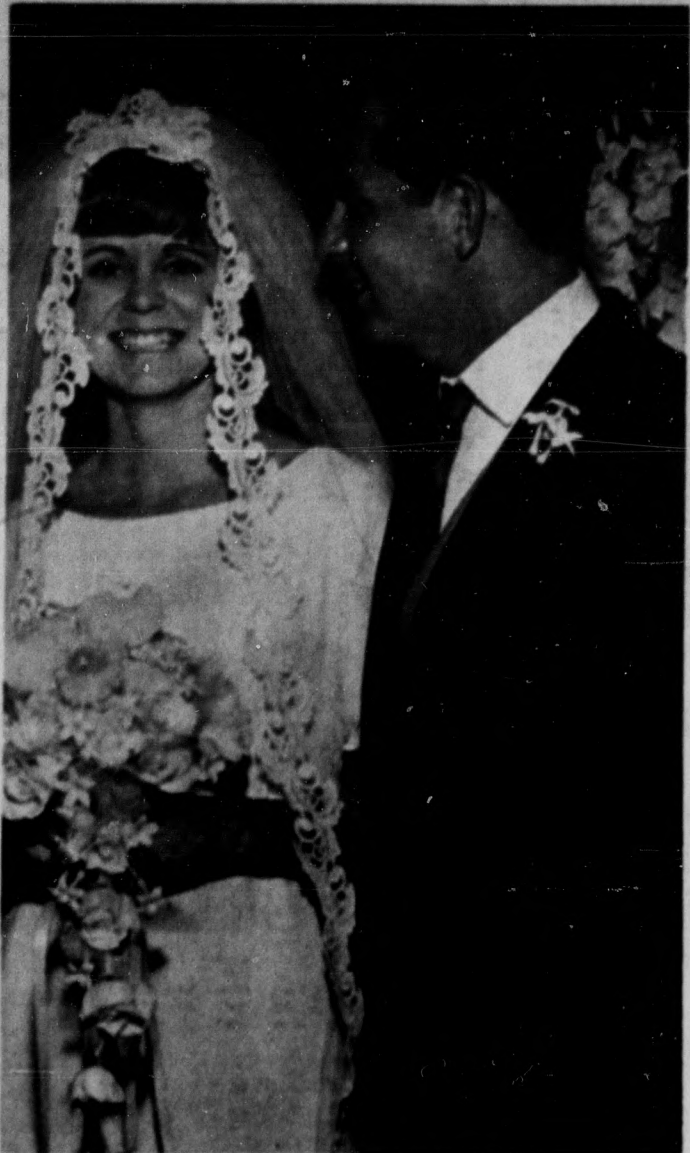

His parents received notification that he was wounded on Oct. 18 by fragments to the heart while he was in the combat zone. He died Oct. 22.

The young soldier was previously injured shortly after he arrived in Vietnam on Sept. 27. He entered the service March 13 of this year and was with the First Air Cavalry Division, Quang Tri.

Carl graduated from Northview high school, Covina and lived in Upland two years. He worked at Skycrest motors before entering the service.

Besides his parents, he is survived by one brother, M/Sgt. Robert Carl who is stationed in Wisconsin; one sister, Debra Carl of Pa.; and a paternal grandmother Helen Carl, Denver.

Mr. and Mrs. Davis

Ann Wucherpfennig Bride

A wedding trip to Carmel and Lake Tahoe followed the October 5 wedding of Ann Marie Wucherpfennig and Michael Paul Davis.

The couple was wed in St. Joseph's Church in Upland. Some 200 guests observed the marriage ceremony performed by Rev. Frank Keegan.

The bride is the daughter of Mr. and Mrs. Frank C. Wucherpfennig, 833 N. Palm ave., Upland. Given in marriage by her father, the former Upland Miss was arrayed in a white, full-length empire waisted gown featuring crepe short sleeves and a round neckline.

Her mantilla, which was edged with lace, fell into a church length train. She carried a cascade of white roses and stephanotis with a white orchid in the center.

Honor attendant for the bride was Mrs. Bob Autry of Pomona. She was attired in a full-length moss green organza gown.

Bridesmaids were Mrs. Tony Finazzo of La Verne; Mrs. Barry Laviole of Ontario; Miss Pat Shark of Pomona; Miss Colleen Davis of Ontario; and Miss Theresa Wucherpfennig of Upland, sister of the bride.

Bridesmaids were dressed in full-length apricot organza gowns and

carried cascades of apricot carnations.

Flower girl was Cindy Mann, Ontario, a niece of the groom.

Davis, the son of Mr. and Mrs. Robert Davis, 710 N. Vine St., was attended by Ron Jeffries of Ontario as Best Man. Ushers were Dave Wucherpfennig of Ontario, brother of the bride; Steve Wucherpfennig, Upland; Fred Royster of Ontario; Tony Carabello of Ontario and Ken Robertson of Upland.

Ring bearer was Patrick Wucherpfennig, of Upland.

Following the 11 a.m. guitar Mass and nuptials,

a buffet luncheon was served in the Church Parish Hall. The couple received the Papal Blessing at the Mass.

The former Miss Wucherpfennig is a graduate of Upland high school. After study at Cal Poly, she was named supervisor at General Telephone Company in Redlands.

Davis, a graduate of Chaffey high school, attended Chaffey college. He was recently discharged from the U.S. Army, having served one year in Viet Nam.

Mr. and Mrs. Davis will reside at 1865 Rosewood court, Ontario.

Births

Mr. and Mrs. Ray Palmer, 119 Morgan Way, Upland, are parents of a baby boy named Raymond Eyer, born at San Antonio Community Hospital, Oct. 9.

Mr. and Mrs. Melvin Jackson, 368 Austin Way, Upland, are parents of a baby girl named Charissa Renee, born at San Antonio Community Hospital, Oct. 9.

Mr. and Mrs. Paul Trujillo, Etiwanda, are parents of a baby girl named Carey Ellen, born at San Antonio Community Hospital, Oct. 9.

Mr. and Mrs. Alexander Vetto, 1472 Ukiah Way, Upland, are the parents of a baby boy named Phillip Louis, born at San Antonio Community Hospital, Sept. 30.

Mr. and Mrs. Charles Stark, 1251 W. 15th st., Upland, are the parents of a baby boy named David Charles, born at San An-

tonio Community Hos-

pital, Oct. 1. Mr. and Mrs. William Miner, 8188 Avenida Vajar, Cucamonga, are parents of a baby girl named Virginia Marie, born at San Antonio Community Hospital, Oct. 5.

Mr. and Mrs. Joel Westberg, 1182 Dickinson ct., Upland, are the parents of a baby girl named Elizabeth Ellen, born at San Antonio Community Hospital, Oct. 6.

Mr. and Mrs. Ralph Tapia, 13252 16th st., Upland, are the parents of a baby girl named Rebecca Ramona, born at San Antonio Community Hospital, Oct. 6.

Mr. and Mrs. S. David Garcia, 353 Stillman, Apt. A, Upland, are the parents of a baby boy named Matthew John, born at San Antonio Community Hospital, Oct. 6.

Mr. and Mrs. John Engel, 1432 Palamino ave., Upland, are the parents of a baby girl named Kara Michele, born at San Antonio Community Hospital, Oct. 4.

Mr. and Mrs. Stephen Jones, 571 E. Richland, Apt. K, Upland, are the parents of a baby boy named Stephen Alan, born at San Antonio Community Hospital, Oct. 1.

Women Hear Speaker From Seoul, Korea

The Woman's Association of the First Presbyterian Church of Upland will meet for luncheon in Hart Fellowship Hall on Thursday, November 7 at noon. Mrs. Kenneth Gordon will be presiding.

Guest speaker will be Ben C. Song, a teacher-missionary from Seoul, Korea, who is touring the United States to say "thank you America". Song operates a non-denominational "Gospel to the Least" mission in Seoul, ministering to the slums, prisons, orphanages and other destitute persons in South Korea.

Song's father was governor under the Japanese occupation until the country was liberated in 1945. Pro-Japanese beat and tortured him until he was forced to flee. His mother died shortly after from mistreatment and he and his four brothers and infant sister were turned into the streets.

The four brothers faced a scarcity of food and tried making milk from rice for their sister, but she died from malnutrition. They escaped into the country and lived in a cave. They had to beg and steal in order to eat. Dur-

ing the Communist invasion in 1950 the brothers were separated, and for a time Song was part of the "beggar boys gang" that roamed Pusan. The gang was broken up by the police, and Song was placed in a Buddhist orphanage despite his Confucian background. His first contact with Christianity came when he was transferred to a Christian orphanage.

Mr. and Mrs. Herb Woehl became his American foster parents, and it was through their help that he attended Bible schools and seminary and received a Th. B. degree from the Korean Presbyterian Seminary.

The annual Thank Offering will be given and dedicated at the meeting. These funds are used primarily for leadership and vocational training for youth, educational scholarships and many other projects. Mrs. Walter Wood will dedicate the Thank Offering for 1968.

A new slate of officers for the coming year will be presented and voted upon. The luncheon will be under the direction of Mrs. Ted Delsing and Mrs. Joseph Day.

PAUSE THAT REFRESHES -- Mrs. Edmund Accomazzo hands a cup of tea to Mrs. Jerene Harnish while Mrs. Clifford Downing looks on at the Oct. 21 Silver Tea sponsored by the San Antonio Community Hospital Auxiliary. The annual event was held at the home of Mrs. Edred Drew and over 200 West End women attended.

Silver Tea Rated Auxiliary Success

More than 200 West End women gathered at the Ontario home of Mrs. Edred Drew, Monday afternoon, Oct. 21, for the 42nd annual Silver Tea of the Women's Auxiliary to the San Antonio Community Hospital.

Greeting guests as they arrived were Mrs. Drew, Mrs. John King, general chairman of the tea, and Mrs. Herschel Glenn, auxiliary president.

Floral arrangements by Mrs. Gilbert Turner were seen throughout the home with bold green magnolia leaves on the piano and greens in Chinese vases on the mantle. Yellow roses in a Dresden vase decorated the foyer, while yellow gladioli with button chrysanthemums dominated a window in the living room.

Mrs. Robert Williamson was tea table chairman with Mrs. Alan McPherson assisting. On the tea table was a centerpiece of many yellow rose buds in a magnificent silver epergne, arranged by Mrs. Turner.

Mrs. David Van Every and Mrs. John Engle were Mrs. King's co-chairmen.

Mrs. Van Every, tea chairman, was assisted by the Mmes. Frank Lesinsky, Felix Bescoby, Lester Aldin, Arthur Accomazzo, Alan McPherson and Glen Finley.

Mrs. Maher Bishal was in charge of cookies which were donated by the Mmes. Louis Barnes, Robert Franklin, Paul Dest, Howard Unrue, Donald Vairin, W.L. Toothaker, Charles Hawthorne, Earl Lorimer, R.M. Wright, and Jerry Lawrence.

Pourers at the tea table, arranged for by Mrs. Sanford Balleu, chairman, were the Mmes. George Chalfant, Earl Johnson, Douglas Sage, Donald Wake, Daniel Milliken and Robert Sherwood. All of these women were past presidents.

GS Tour Winery

Junior Girl Scouts of Troop 1130, Spanish Trails Council toured the Regina Winery of Etiwanda one recent afternoon as part of the study of their California heritage.

The Alta Loma troop was supervised by Mrs. Galen Casey and Mrs. Buford Land, troop leaders.

THEIR HANDIWORK -- Among the Assistees making beads for sale in the Assistees Booth at the West End Symphony League Festival of Arts are Claudia Buckley, Margo Horgan and Sharon Eckert. The Festival of Arts will be held in the Upland kiosk all day, Nov. 24. Many teenage groups in the area will be selling their wares at the Festival.

4-H Club Sets Plan

It will be a busy year for Etiwanda Energetics 4-H Club, according to leader Mrs. Aldo G. Campanella.

The 4-H youth will collect for UNICEF on Oct. 31 and Nov. 1, prepare a needy basket for a family in Etiwanda in November, and bake Christmas cookies for Pacific State Hospital in Spadra in December.

Also in December, a family potluck dinner will be held, probably at the Sacred Heart Church on Foothill Blvd. Fund-raising projects include the sale of lightbulbs in Dec., a Sunday morning breakfast and a bake sale in the Spring.

For a community service project, the club plans to paint mailboxes. Tours are also planned for the group.

At Tuesday evening's meeting of the 4-H Club, Julie Gearhart reported on the Conference at University of California at Davis she attended as a representative of the local club. The State 4-H Leadership Conference met in August.

West End Symphony Slates Art Festival

Take several youth organizations, and public interest, sprinkle generously with civic support and presto--the perfect recipe for a festival of arts. At least members of the West End Symphony League think so.

The festival, to be held Sunday, Nov. 24, noon to 10 p.m., will be the league's only fund-raising event of the year. Proceeds will benefit the West End Symphony Orchestra Association.

The festival will be held at the new downtown Upland concourse and will feature continuous entertainment as well as a street dance later in the evening. Booths lining Ninth st. and Second ave. will be stocked with various bric-a-brac for the early Christmas shopper. Other booths will offer nourishment for the hungry festival-goer. Side-walk art exhibits will be another feature of the festival.

Teenagers of nine local youth organizations along with various adult clubs of the area are preparing merchandise for the booths. Boys from Chaffey, Upland and Alta Loma high schools are making and painting the booths.

Mmes. Alfred Wegener and Melvin Marks, chairmen of the festival, have named their committee chairmen. They are Mmes. Simon Klitenic, entertainment; Theo Nowak, booths; C. Kenneth Brooks Jr., publicity and Donald Alexis, promo-

tion. Chairmen in charge of food are Mmes. L.L. Young, Earl Riggs, Ray Gomez, Samuel Kobrin-sky and Tada Sato.

The West End Symphony League plans to make the festival of arts an annual event. Open to the public, donation is \$1 for adults and 50¢ for children.

New Queen At ALHS

Kathy Bouch, daughter of Mr. and Mrs. R.R. Bouch of 7087 Agate St. in Alta Loma, was named Sports Queen by the Alta Loma High school student body last week.

Miss Bouch reigned at the ALHS Homecoming Game with Wilson High school, Oct. 25. She was crowned by last year's queen, Cindy Ozanne.

Theme of the celebration was "Flower Drum Song." Toshiko Shudo, AFS Japanese student,

dressed in her native costume, was hostess.

Homecoming chairman Dolores Ayala was assisted by Cecilia Asebedo, music; Debbie Cooper, cars; and Sally Tompkins, crowning ceremony.

Miss Bouch will represent the ALHS student body at all athletic awards events this year.

The British House of Commons has 630 members.

RED GARTER TUNE-UP - Getting in practice for Casa Alegre's "Red Garter Palace", to be held at the Upland Inn, are Mrs. Raymond Matlock, chairman of the gaming tables; Mrs. James Viano, president of Casa Alegre, seated at the piano; and Mrs. Charles Abell, recording secretary for the women's organization. The Las Vegas type night is an annual event for Casa Alegre.

Red Garter Palace Planned For Nov.

The Upland Inn has been chosen for the site of the Casa Alegre Auxiliary "Red Garter Palace" to be held Saturday, Nov. 9, it was announced by Mrs. Patrick Dineen, ways and means chairman.

The night of Las Vegas prizes, fun and games will begin at 8:30 p.m. A continuous buffet will be featured from 10:30 to 12:30 p.m. Games chairman is Mrs. Raymond Matlock.

Prize chairman Mrs. Leland Scheu announces that top prize for a lucky couple will be two nights and three days at Caesar's Palace in Las Vegas. Donating prizes are William Vallon, Upland Inn; Maurice Fehlman, Felipe Winery, and Michael Dolan, Driftwood Dairy.

Mrs. David Schove and

Mrs. Walter Groeber are decorating cocktail aprons for Mrs. Alan Bond's "barmaids" and fancy garters for each guest. Costumes are optional.

Publicity chairman is Mrs. Bill Donaldson, assisted by Mrs. Lawrence Kartun and Mrs. Howard Jones, co-chairman.

Invitations co-chairmen are Mrs. Russell West and Mrs. Allyn Scheu.

Proceeds from the "Red Garter Palace" will be turned over to the Children's Home Society for operating expenses in their three-fold program; Placing babies and children for adoption; helping natural parents plan for their child's future; and helping couples who want to complete their families by adoption.

Chairwomen Named For Valencia School PTA

Committee Chairwomen were appointed by Valencia school PTA President Mrs. Walter Roberts at the October board meeting.

Appointed were the Mmes. Dennis Leeb, budget and finance; Jack Blair, character and parent education; Kenneth Duck, health and welfare; Gordon Schlopp and Fred McCormick, honorary life membership and hospitality; Ernest Mizuno, library; Ronald Bunte, magazine and movie; and Douglas Brune, membership.

Also, Mmes. Gerald Siriani and Don Seely, newsette; Ray Rietkerk, program; Mel Eagle, publicity; Don Seely, room mother; and D.R. Boring, safety and juvenile.

Church Ladies Plan, Prepare Cookbook

The ladies of the Upland Brethren in Christ Church are printing a cook book of favorite recipes. It all started a year ago when about one hundred ladies prepared a Food Tasting Festival for the community. They selected 85 dishes from nearby 1000 entrees. So many friends asked for recipes that Miss Miriam Bowers, chairman, suggested a cook book be printed.

The book is entitled "Cooking Plain and Fancy" and is nearly complete. It will include 230 pages of new and interesting dishes, more than 600 recipes in all. Mrs. Melvin Bowers, Mrs. Dwight Goins, Mrs. Ray Stump, and Mrs. Donald Feaster have assisted Miss Miriam Bowers in selecting the entrees, preparing the copy for the printer, sorting pages and preparing the book for binding. Miss Bowers

said they had no idea how much work would be involved when they began.

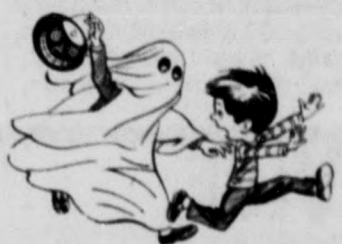

The cook book includes entrees for appetizers, salads, meats, and desserts. It also includes a section of old family recipes for Pennsylvania Dutch dishes. Each recipe gives the name of the person who submitted it.

There are also notes of interest, tips and lore of the past and special recipes. Harvey Lenhart gives his recipe for curing olives. Christ Frey has a favorite recipe for making candy. Mrs. Ernest Bailey dug out a 40 year old recipe for making sandwiches. And Mrs. Preston Markley remembered an old recipe for "biling" clothes.

The book is being printed in limited edition of 1000 and was available at the Harvest Food Festival held Saturday, Oct. 26 at the church.

Cheer Bake Sale

West End Servicemen's Operation Cheer is sponsoring a rummage sale and bake sale Friday and Saturday, Nov. 15-16 at Bill's Ranch Market on Foothill Blvd. in Upland. Donations may be brought to the market, or call Julie Danko at 987-3842 or Eve Morton at 982-8147, and arrangements will be made to pick up your donations.

League Opposes Proposition 9

The League of Women Voters of California will oppose Proposition 9—the Watson Initiative, and will support Proposition 1—Constitution revision—on the November 5 ballot. Mrs. John O. Ahern, president, announcing the League's position on Proposition 9, stated:

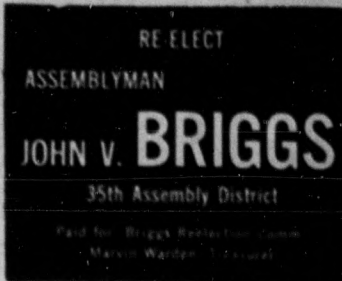

"For years our members have supported measures to improve the financial structure of our school system. Many of our members expressed concern over the effects this measure would have on support of local schools, and urged opposition to this proposition."

"Chief member anxiety was expressed regarding the provision prohibiting use of the property tax as a revenue source for support of schools, without providing another means of local support. Sixty per cent of the school budget comes from the property tax. It is the only local source of funds available to school districts. Local financial support enables a school district to provide the kind of school system its community would like to have."

"The League also believes that Proposition 9 would severely limit the flexibility of the Legislature in dealing with the pressing problems of financing state and local governments in California by setting a limitation on a major revenue source. We want a State Constitution with provisions which enable the Legislature to deal with state problems with flexibility, unhampered by unnecessary restrictions."

Parents of Son

Mr. and Mrs. Hilario Rafanan, 748 N. Third St., Upland, are the parents of a baby boy named Ricardo. He was born in San Antonio Community Hospital.

Hey there Upland and Ontario. San Francisco is closer when you fly PSA from Ontario. \$15.24

Super 727 and 737 Jets. 5 flights a day. More on Fridays and Sundays. From East Los Angeles to San Bernardino. It's easier, closer (free parking and more of it) and less crowded than Los Angeles International.

PSA gives you a lift.

THREE ENTRANTS -- Kathy and Cyndi Rebeck and their father, Theodore Rebeck, are all ready for the Assisteens Father-Daughter picnic, to be held Sunday, Nov. 3, at Upland Memorial park. The event is one of the annual social activities of the Assisteens.

Dr. Robert Oyler, Child Psychologist was guest speaker at the "Parent Education Night" held October 21, at the school. His topic was "Pressures and Prospectives" Understanding your 9 - 12 year old.

California has more military bases than any other state.

Caborca Caravan Finalizes Plan

A few reservations are still open for the caravan to Caborca, according to Zella Stone. Uplanders who wish to participate must have their own campers. The caravan will leave Nov. 27 and return Dec. 1. A gala celebration in the sister city

is planned by the group. Advanced planning is expected to be made this week when Elwin Alder, city manager and Harvey Stone, president of Chamber of Commerce will fly in Alder's plane to Caborca to finalize arrangements.

Because We Sympathize.

OUTER SPACE -- Manning the space ship Citrus 9, are third graders (from left) David Fox, Gregg Hoyle, Virginia Copp and Linda Goggin. Hidden under the astronaut hat is David McNichol who was the class astronaut. The launching of a space ship was part of a project by the third grade class at Citrus school.

Cabrillo School Fiesta Of Fun

"He stands up ... speaks out"

QUIMBY
assemblyman

The winners of Cabrillo school poster contest for Fiesta de Cabrillo were: First Prize, Christine Andrews, Chris Knittle, Lorraine Spalla, John Baguley, and Robin Adair. Second Prize, Irene Lucero, Mike Carter, Christine Mann, Scott Adair, Vicky Browning, Robert Flore, Bobby Mosca, Janice Metzger and David Canton.

The Fiesta sponsored by the Cabrillo Elementary PTA is scheduled to take place Sat., Nov. 2, on the school grounds,

lith and Benson in Upland, from 11 a.m. to 4 p.m.

Mrs. Brian Lynch, ways & means chairman, has announced a program which includes sale booths, live dog show and lunch facilities.

Mrs. Delmore Browning, food chairman, has planned a menu of hot dogs, dessert and soft drinks. There will also be popcorn.

The public is invited to attend.

Citrus School Third Graders Present Outer Space Show

On Fri., Oct. 25, Mrs. Anderson's third graders at Citrus school presented a show entitled Citrus 9 Tours the Solar System. This play was written by the students as a culmination of their study of the planets.

It is the story of the trip of a rocket ship, Citrus 9, manned by astronauts David McNichols, Frances Burns, and Michael Woody. Ground controllers, David Fox and Gregg Hoyle guide the ship with the help of several scientists: Kim Cook and Dawn Prastitis, experts on Mercury; Tom Dryden, Steven Steslicki, Brad Larned and Stephanie Lucas experts on Venus; Theresa Glover, expert on Earth; Carrie Amick and Joe Ambros, experts on Mars; Gregory Mazzio, expert on Jupiter; Steven Kuhn, expert on Saturn; Pam Frye, Sherry Herndon and Sherry Lynch, experts on Uranus; Amy Sheffield, expert on Neptune; and Bill Alvarez and Marc Hipple, experts on Pluto.

Operating the TV Monitor, which followed the space ship on its trip were Linda Goggin and Virginia Copp. Pictures of Citrus 9 and all of the planets were made by the children for TV viewing. Gerald Hurndon, Mary Florian and Donald Steward introduced the show

while Lisa Bonser, Keith Hardin, Michael Woody and Frances Burns were in charge of refreshments.

Parents were very helpful, also. Don Cook, father of Kim, prepared a display showing the elliptical path planets take on their revolutions around the sun. Tex Sheffield, father of Amy arranged for a film, Apollo Highlights, to be shown to the class. David Stewart, father of Donald, helped his son label all the tracking stations on a map of the world.

The music was provided by Keith Hardin. Virginia Copp, Gregg Koyle, Kim Cook, Theresa Glover, David McNichol, Stephen Kuhn, Pam Frye, Carrie Amick, Linda Goggin and Stephanie Lucas brought refreshments.

The show was presented to Citrus students first and to parents and other guests at 1:30 on Friday afternoon.

AL Boosters Reveal Plans

The Alta Loma High School Booster Club announced plans for the coming year at their Oct. 23 meeting.

The annual Mexican Dinner will be held from 4 to 8 p.m. Nov. 16, in the school cafeteria. Admission is \$1 per person. Proceeds will aid in the purchase of trophies for the athletes, and to provide flowers for injured athletes.

Nov. 19 will be the Fall award night for girl athletes. A dessert meeting, boys from the key club will serve as waiters for the girls and their families. The meeting will be held in the school cafeteria from 7:30 to 9 p.m.

The regular Booster Club meeting will be held Wednesday, Oct. 30 from 7:30 to 9 p.m. at the school. The public is invited to attend.

BEER—toast to America's economy

The brewing industry is a massive and dynamic part of the national economy. Each year it pours billions of dollars into commerce and government.

- \$1.4 billion in state and federal excise taxes.
- \$3 billion to employees, suppliers and distributors.
- \$875 million in agricultural products and packaging materials.

The brewing industry is a proud contributor to America's prosperity.

Sculptor Exhibits Art

The works of Cucamonga sculptor Jerome Mahoney were exhibited on the mall of the Montclair Plaza last week in conjunction with the Fall Festival of Arts.

Mahoney studied at the Claremont Graduate School and received his Master of Fine Arts degree in 1967. Mahoney has exhibited in the Long Beach Museum of Arts; the Fifty Los Angeles Sculptor's Exhibition at Barnsdall Park Gallery and the 1966 Master of Fine Arts Exhibition at Claremont.

He is currently teaching ceramics at Chaffey College.

WE NEED YOU.

John P. Quimby at age 33, is considered a veteran in the legislative halls in Sacramento. He has the distinction of being selected by the Capitol Press as one of the fine outstanding and effective representatives. His achievements have been recorded and praised not only by state but National leaders as well. This aggressive young man, by some, is considered controversial. He is idolized by many because of the stands he takes without fear. His only concern is that the people in San Bernardino County get good representation. Thus, we ask you the voters to help us to

HALLOWEEN IS FOR FUN-NO MATTER WHAT AGE

SHARING GOOD FORTUNE -- Larry Bartholomae, director of student activities at Alta Loma Junior High school, helps student council members Tenley Swenson, Drew Spiker, Ted Pedvin and Terri Downs pack their used English books for shipment to Liberia, Africa. The Liberian students have been using Canadian books and sharing one copy among four students.

AL Students Send Books To Liberia

It took two months and two Student Councils to do it but the Alta Loma Junior High school Student Government class finally did it. Some 401 books have been packed for a destination in Liberia, Africa.

The project began last year when the principal of Jedepo Junior High school, Sinoe County, Liberia, visited the Alta Loma Junior High school. In one of his discussions in the history-geography class, William Saytarkon mentioned that this students studied in English from Canadian English books that were ten years old.

He also pointed out that there were only enough books for use of one copy for four students. This statement spurred the Alta Loma students to action. Under the direction of Larry Bartholomae, the shipment of discarded English books has been completed.

Student Councils from 1967-68 and 1968-69 have donated money for the project. They were aided by the Phi Delta Kappa Fraternity when the finances proved too steep for their budget.

Needless to say, the students are eagerly awaiting news of the arrival of their books in Jedepo.

Traffic Safety Day

Halloween is Traffic Safety Day in Upland and with the ending of daylight saving time, darkness comes early. This is a hazard to both motorist and pedestrian especially the little "trick and treaters" who are in costume. So please be careful, and have a safe Halloween so you can enjoy Thanksgiving and Christmas in Upland.

WHICH ONE SHALL IT BE? The selection of a Halloween pumpkin is a hard decision, but little one-year-old Johnny Bittle, pictured above seems to have picked out just the right one. He is the grandson of Mrs. Marcella Case, city editor of the La Verne Leader and San Dimas Press.

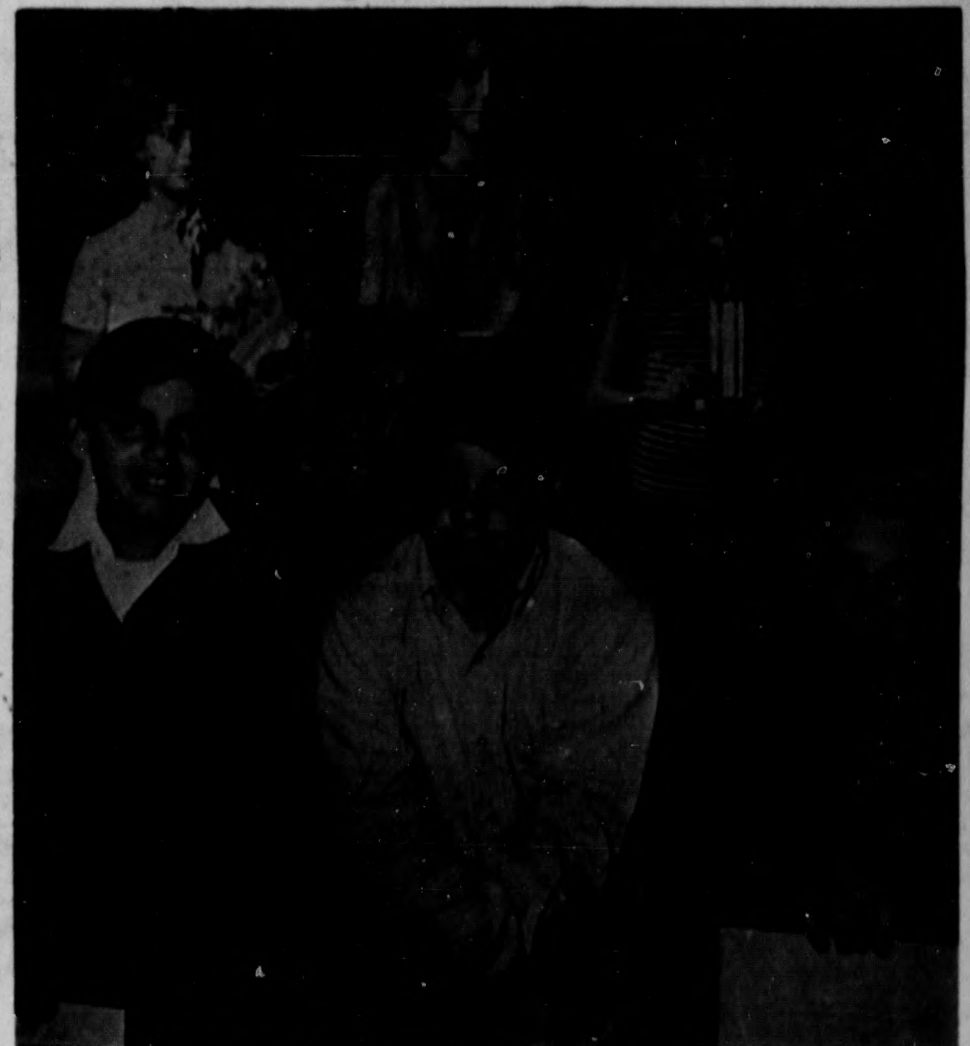

Halloween Painting Winners

Winners in the Upland Halloween window painting contest were presented their prizes Monday night at the Ontario-Upland Jaycee meeting, sponsors of the contest. Judging was done on Saturday by Mayor George Gibson, Ralph Strane, professor, Chaffey college art department, and William Hoole Jr., president of Ontario-Upland Jaycees.

First prize was given to Sharon Oakford, 12, 272 Greentree road, for her painting on the Central market window. She received \$25 and a trophy. Second prize went to Brenda Kay Erhard, 12, 821 W. Eighth street for her painting on Cagle store window. She received \$15 and a trophy.

Third prize was given to Vicki Pene, 12, 1491 N. First ave., for her painting on the Upland Glass window. She was the only one from Pioneer junior high, the others were from Upland junior high. She received \$10.

Three honorable mentions went to Cory Chapman, 13, 125 Mason way, for his painting on Upland Travel window. The other two honorable mentions went to two teams: Albert Alvarez, 13, 155 Campus ave., and Jeff Hopper, 13, 1150 E. Ninth st. for their window at Wise drugs, and to Dan Rymer, 12, 780 N. Spencer ave. and Alex Rivera, 12, 845 N. Fifth ave. for their painting on First National Bank window.

HALLOWEEN WINDOW WINNERS -- Shown with their trophies and checks are winners in the Upland Halloween window painting contest. (Back row) Sharon Oakford, first; Vicki Pene, third; and Brenda Erhard, second. (Front row) Alex Rivera, Corey Chapman and Dan Rymer, honorable mention. Not shown are Albert Alvarez and Jeff Hopper, honorable mention winners.

Pilots Honor Dewey Cable

UPLAND -- "The grand old man of Southern California aviation" Dewey Cable, was honored by the Pomona Valley Pilots' Association at a dinner held Oct. 18 at the Diamond Bar country club which was attended by over 250 friends and admirers who gathered to pay tribute to the aviation pioneer.

In a "This is your life" presentation, details of Cable's early days and work in the field of flying were detailed.

Boyd Phelps, president of the PV Pilots' Association awarded a plaque of merit to Cable during the ceremonies.

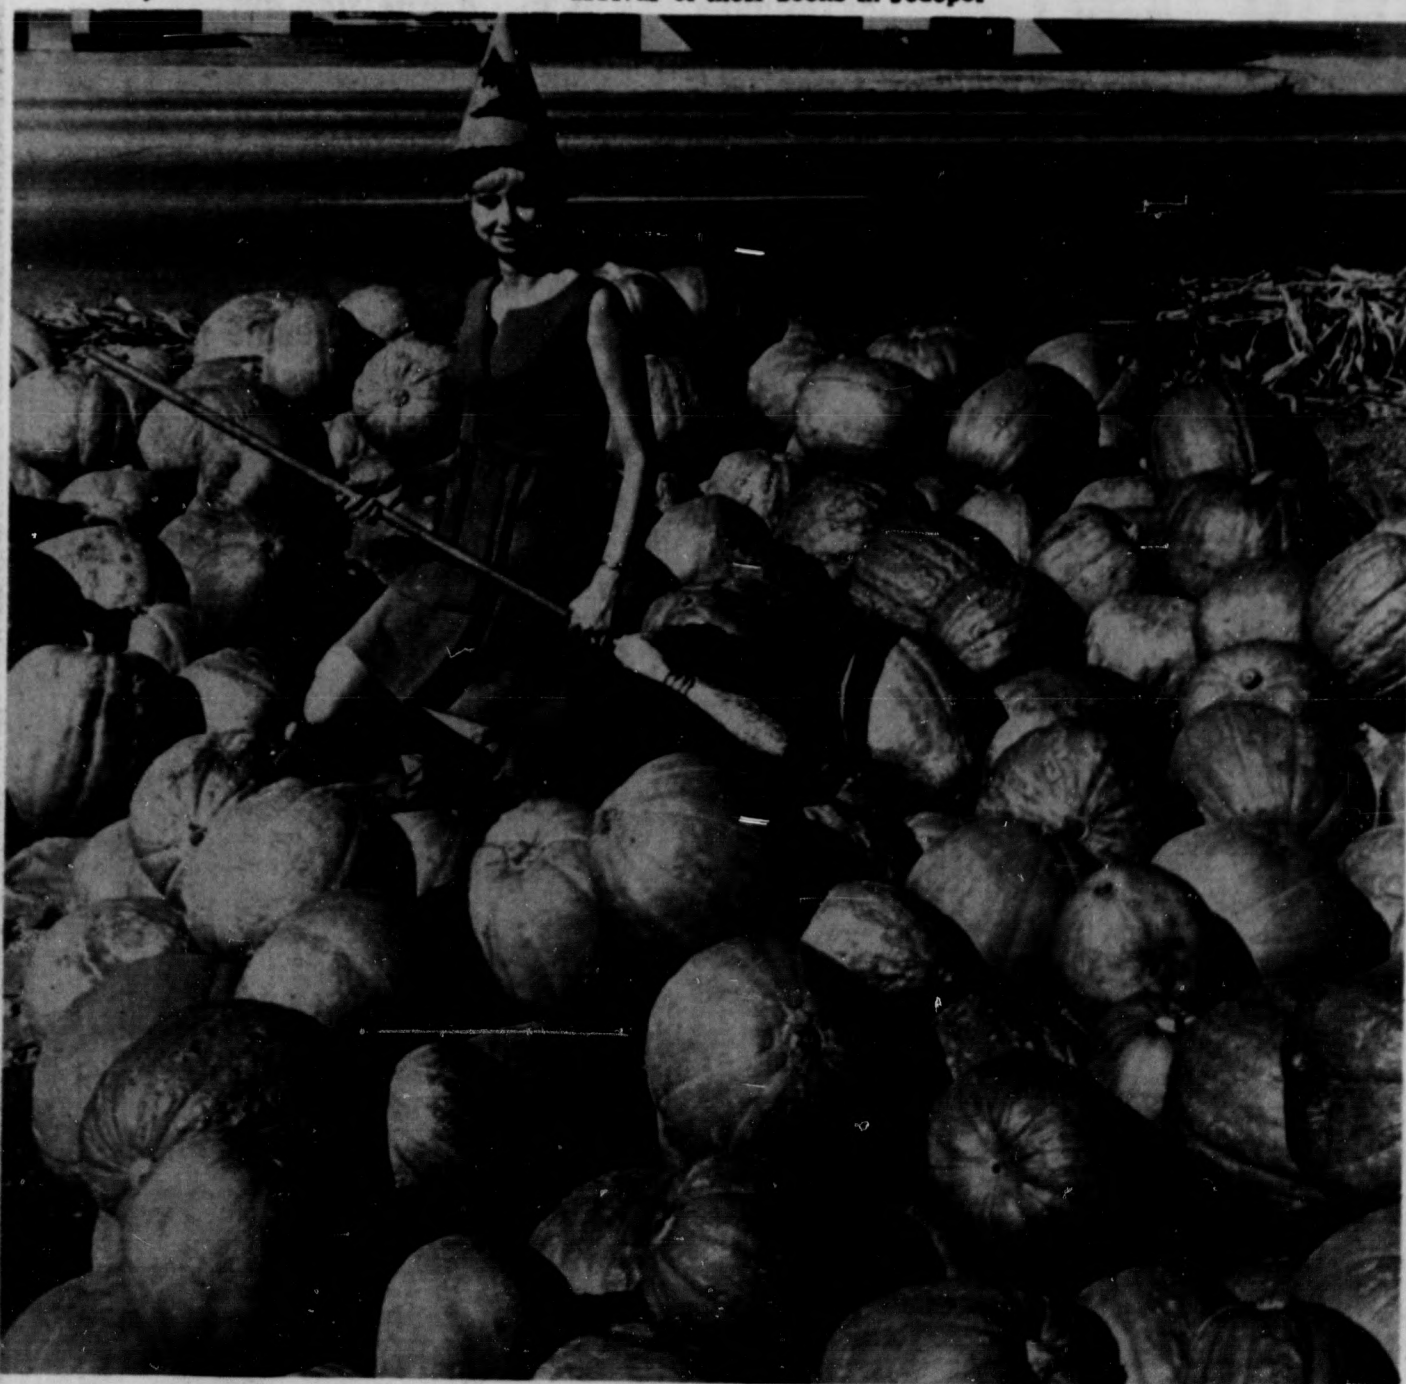

Dignitaries included Cong. Jerry Pettis, City Attorney Don Maroney of Upland, Roy Outen of the FAA, Don Descombs, president of the Pomona Chamber of Commerce, Tony Malone, manager of the Upland Chamber and others.

Present for the occasion also were Cable's three sons, Roger, Paul and Walter and his daughter, Millie Cable Stewart.

Monty Taylor was master of ceremonies for the occasion.

Locally, Cable is the founder of the Cable Airport and his family active in the founding of the rapidly expanding Cable Airlines.

TRIBUTE TO DEWEY -- Boyd Phelps, President of the Pomona Valley Pilots' Association, presents impressive award of merit to Dewey Cable (r), founder of Cable Airport in Upland, for his many outstanding contributions in the local field of aviation.

THEY DON'T MAKE WITCHES LIKE THEY USED TO! In fact the person you see in this shot isn't a witch at all. She is Jean Treber of Upland Feed and Fuel posing among a huge group of pumpkins at a roadside

stand off Central in Chino. However, witches in the old and new tradition will be haunting the countryside tomorrow and Linus may even get to see the Great Pumpkin.

ROTARY DISTRICT GOVERNOR VISITS—Guest of honor Wednesday evening at a banquet at the Woman's Club held by the Upland Rotary Club were (right) Rodney Coulson, district 532 governor, Rotary International, and his Rotaryann, Betty.

Welcoming them were Jim and Mrs. Bruno, district governor nominee and member of the club and Dan and Helen Maher, president of Upland Rotary.

Halloween Time Is Also A Time To Be Careful

Accidents go up when the sun goes down and now that daylight saving time is over, darkness comes early.

Police Chief John Wessely, reminds motorists to have a safe Halloween, but be extra cautious during the "trick or treat" hours of 5 to 8 p.m. The early darkness puts an extra burden on the driver.

Drivers should:
1. Cut down driving speed at night.
2. Be especially watchful for pedestrians. Pedestrians wearing dark clothing and costumes are difficult to see under artificial light.
3. Keep headlights and windshields clean to provide maximum visibility.
4. Check taillights, turn signals, and high and low beams to make sure they are working properly.
5. Use caution when approaching crosswalks.

Children as pedestrians have a responsibility to be careful during their journeys into the streets for "tricks or treats". They should observe safety precautions and cross only in crosswalks, observe traffic laws, and watch for the motorist. When wearing costumes they should observe the following:

1. Masks should fit properly so that the child can see well.
2. Loose fitting hoods that completely cover the face should be avoided.
3. The costume should include some white or light-colored cloth or, better yet, some strips of reflective material.
4. The costume should not be so long that it might trip the child.
5. Younger children should be escorted by parents.

Theatre In Round For New Kiosk?!

The kiosk could become a theatre in the round if the cost isn't prohibitive. This was a report heard by the Parks and Recreation committee at its meeting Monday night.

Elwin Alder, city manager, showed the group on a blackboard how a series of bleachers could be interlocked around the kiosk and still allow people and traffic to circulate. The seating capacity of the center would be about 2,000 people and would give everyone a chance to see what was going on in the kiosk as well as keep the crowd from gathering

too close to the scene of action and cutting off the sound.

While a show was going on, people would be free to shop on foot or drive through the outer areas by turning their cars around near the planters.

Alder told the committee that a study of the situation had been made and if the cost of the bleachers were not prohibitive, they could be portable and be used in other recreational areas such as baseball fields.

Further study of the idea is planned.

Police Promotion Announced By Chief

Merele Arneson of the Upland police dept., has been promoted from patrolman to detective, according to Police Chief John Wessely.

He was promoted through a competitive test exam out of a field of seven.

Arneson, has been on the force for four years and is a graduate of Riverside Sheriff Basic Training Academy, and

is taking advance college courses on his own time and own expense.

The new detective has worked in the community relations program for the police Dept., and is active in community activities including PTA, Cub Scouts, Little League, and church work. He and his wife, Wanda, have a boy and girl and are residents of Upland.

Pulse Of The Plaid

By Andy Wilson Upland High

Tonight the Upland High "Backstage Club" begins its fall activities with three one-act plays, "The Old Fashioned Hamiltons," "The Tickets," and "Rain, Rain, Go Away." All three plays were written by playwrights in UCLA's play-writing program. The plays will be presented Wednesday and Thursday, Oct. 30 and 31.

Homecoming week for the "Highlanders" has a variety of activities, a tug-of-war, tricycle races, and a dress-up day are planned, Friday, November 1, a car caravan will tour Upland, Thursday and Friday voting will elect the Homecoming Queen for 1968 from the Queen Court. The queen candidates are Princess Sue Barry, Princess Kris Harrah, Princess Colleen Collins, Nancy Corrigan, Sherrie Benjamin, Honorary princess is Kerstin Lewin, American Field Service foreign-exchange student from Sweden. The Queen and her court will reign over the Homecoming dance, Saturday night, Nov. 2 in the high school

cafeteria. The theme is "A Gathering of the Clan." Chairman of the Homecoming Committee is Dana Root.

WTCU Meet Hears Report

Mrs. Iva Marr, local president, of Woman's Christian Temperance Union conducted a White Ribbon service making Rocky De Augustine a White Ribbon Recruit when the Upland Woman's Christian Temperance Union met recently in her home.

Prizes were received from State by local union for being a net gain and century builder union. One new member was added to the roster when Mrs. Bertha Bailey made herself a Rock of Ages member.

Miss Kate Leininger, and Miss Geneva Fayre, of the Ontario chapter as guest speakers reported on the convention.

"Americana" Music Is Program

"Americana" a program of music from the United States, will be given by the Alta Loma high school A Cappella Choir on Wednesday, Oct. 30, at 7:30 p.m., in the school auditorium. Also appearing on the program will be the Advanced Girls Chorus and Madrigal Singers.

Donald Bowers, choral director, has announced that the program will consist of folk songs, Broadway show and movie tunes, and serious music, all originating from this country.

Featured will be choral numbers, solos, small group songs, and as a finale the cantata, "Song of Democracy," by American Composer Howard Hanson will be sung by the A Cappella Choir. Accompanists will be Denise Vandeveld, Lori Powell, and Cheryl Rempel.

Robert Flocker, a junior at the school, was recently selected as a member of the Southern California Vocal Association Honor Choir, according to Bowers.

This group is selected by auditions at various points throughout Southern California and is highly selective.

They will be directed by Dr. Howard Swan, noted choral musician at Occidental College, and will perform for the SCVA Mid-Winter Conference in January, and at the Music Center in Los Angeles the following month.

Bob, who is a member of the A Cappella Choir and Madrigal Singers at

Alta Loma, is the first student from his school to be chosen for this honor.

Dr. Kipnis Here

Dr. H.B. Kipnis of Huntington Memorial Hospital Medical Research Department in Pasadena will address the Tri-County Multiple Sclerosis Patients Group at the Nov. 3 meeting at 2 p.m. at the YMCA, 215 West "C" St., Ontario.

Dr. Kipnis has done much research work in multiple sclerosis under the direction of Dr. C.H. Thienes. Dr. Kipnis spoke to this local group four years ago and a return engagement was requested.

All interested parties are invited to attend.

ART LESSON -- Mrs. Barbara Wardrip, lecturer touring with the County Artmobile, points out facts of interest to Valle Vista students Lana DeVries, Bruce Johnson and Ramon Rodriguez. The Artmobile spent a day at Valle Vista School last week.

Artmobile At Valle Vista Construction To Begin On Turner

A wingless bird, a humbled peacock, and the search for a mongoose were three of the delightful stories brought to life in the original illustration featured in the art exhibit which toured Valle Vista Elementary school last Thursday.

Among the artists represented were Ezra Jack Keats, Beni Montessor, Marcia Brown, and Roger Duvoisin. All are illustrators for children's books.

The art exhibit, which took place in an Artmobile is a visual arts project of the San Bernardino, Inyo, and Mono County Schools.

Lecturer at Valle Vista school was Mrs. Barbara Wardrip.

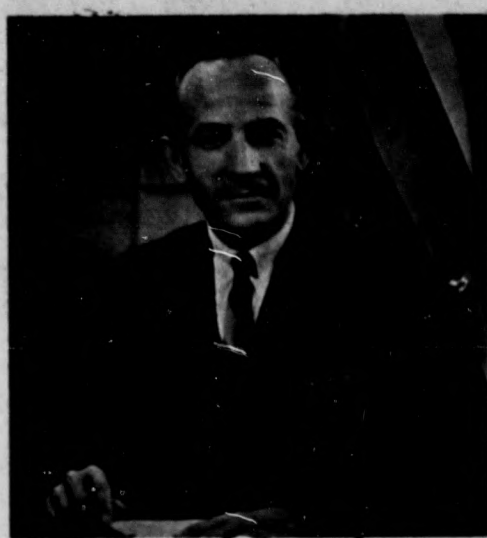

New Arrivals

Mr. and Mrs. Ted Desormiere, 623 West 9th St., Apt. 2, Upland, are parents of a baby girl named Deborah Ann. She was born in San Antonio Community Hospital.

YOUR CONGRESSMAN JERRY PETTIS DESERVES YOUR SUPPORT

He has:

- * VOTED FOR STRONG ANTI-CRIME LAWS!
- * SUPPORTED OUR FIGHTING MEN IN VIETNAM!
- * WORKED FOR THE ECONOMIC GROWTH OF THE ENTIRE COUNTY!
- * VOTED TO STOP FEDERAL PROGRAMS THAT ACCOMPLISH LITTLE OR NOTHING!

WE MUST RETAIN THIS PROVEN LEADERSHIP!

REELECT CONGRESSMAN JERRY PETTIS

Phil Pope, Chairman COMMITTEE TO RE-ELECT Congressman Jerry Pettis Alex Brown, Treasurer

Put one over on the phone company.

Wait till after 7 p.m. and call anywhere in the country for a dollar.

If long distance callers had to take an oath, it would probably go something like this:

"Call we will,
Call we must,
But when we do,
It'll be after dusk."

Because if there's one thing that irritates them, it's being charged more for calls during

the day than in the evening. And they wouldn't be any less irritated if we told them that our daytime prices are our regular rates. Because the only thing they're interested in is getting the most for their money. And that's why they wait till after 7 p.m. or any time of the day on Saturday and Sunday to make their long distance calls. Because dur-

ing those hours, they can call anybody, anywhere in the country for a dollar or less. Obviously, calling long distance doesn't have to be expensive.

Especially if you've taken the oath.

General Telephone
A dollar goes a long way.

*First three minutes, interstate, station to station, continental U.S. except Alaska.

Central School OK's Restaurant

The Central School District Board of Trustees voted to rescind their action opposing the building of a restaurant which would serve alcoholic beverages within 300 feet of the school at a special meeting Tuesday, Oct. 22.

According to Superintendent Don Sperry, no residents appeared before the Board to ask that the protest be continued. He added that some citizens had asked that the district not protest the building of the restaurant.

In other news, the Board passed a resolution allowing a questionnaire to be circulated among all the students at Cucamonga Junior High school to determine attitudes toward school in general. The questionnaire, drawn up by a doctoral student at UCLA, will be distributed some time this year.

A motion was passed hiring Ann Voeks and Evelyn Nims as Reading Specialists for the District; and permission was given Superintendent Sperry to attend a conference on pupil evaluation at Asilomar, Calif., Sunday, Monday and Tuesday, Nov. 3, 4 and 5.

DOUBLE EAGLE

232 N. 2nd Ave. 982-7114
DOWNTOWN UPLAND

A BIG DEAL for the FAT CATS

but it's **BAD NEWS** for homeowners and **DISASTER** for renters!

VOTE **NO** ON PROPOSITION 9

IF PROPOSITION NO. 9 WERE ADOPTED:

- Enormous property tax savings to large landowners and speculators would have to be made up by drastically increased income and sales tax on homeowners and renters.
- California's school system would be thrown into chaos.
- Bonds for construction projects totalling more than \$5 billion dollars — authorized by the voters but unissued — could not be sold. This represents a loss of more than half a million jobs for California workers.

HOW are the great majority of Californians HURT by the Tax Trap Initiative?

A practical method of replacing property tax revenues lost under Proposition 9 would be a combination of these State tax increases, as calculated by State fiscal experts:

- (1) Doubling existing State Income Tax
- (2) Doubling existing State Sales Tax
- (3) Imposition of 5% Sales Tax on Food

This shifting of tax burdens would have the following effect on a family of four:

	HOMEOWNER	RENTER
Your Annual Income	\$ 7,500.	\$ 7,500.
Your State Income Tax	\$17,700.	\$ 27.
Your State Sales Tax	10,000.	110.
Your State Income Tax	15,000.	302.
Your State Sales Tax	20,000.	542.

GETTING IN PRACTICE -- Mrs. Dale Ponsor pours coffee for Mrs. Frank McConnell and Mrs. Harold Staudenmayer in a practice session for the Upland Junior Women's Club Annual Membership Tea, to be held Saturday, November 2, from 2 to 4 p.m. at the home of Mrs. Robert Boehringer.

"Rip" Ripley Named To High Lion Post

Cucamonga Lion Merwin Jesse Ripley has been appointed International Special Representative for Lions Club, it has been announced by Don Peters, first vice-president of the local club.

As his appointment became effective, Oct. 28, Ripley left Sunday for a one-week indoctrination project in Chicago. He expects to travel a great deal in the first six months of his new job, which entails the organization of new Lions Clubs. First stop after Chicago will be Salt Lake City.

Ripley and his wife, Bette, reside in Alta Loma. They have two children, Richard Ripley, Ontario, and Mrs. Phyllis Reese, Whittier.

Ripley, a native of Michigan, first joined the Lions Club at Napa, Calif., in 1948. He joined the Cucamonga District Club in January of 1955 and will have 100% perfect attendance of fifteen years this coming January. He has been a key member since 1959.

His local Lions Club activities include Tail-twister, secretary, first vice-president, president, Lion Tamer, civic improvement and Lions Park chairman, greeter, region chairman, Care; district chairman, Care; district chairman, inter-

club activities; zone chairman, district chairman, news letter editor; and region chairman, student speakers.

Other activities include L.O.O.F. past chief patriarch and Junior Lodge advisor; co-chairman Cucamonga Community Chest; director, Cucamonga March of Dimes; executive director, San Bernardino County March of Dimes; associate patron, Upland Chapter, Order of the Eastern Star; and patron-elect, Order of the Eastern Star.

Ripley is a member of Upland Lodge No. 419 Free and Accepted Masons, and a 32nd degree Scottish Rite Mason and member of Al Malaikah Temple Shrine.

Parks And Recreation Committee Meet

Upland Parks and Recreation committee in its meeting Monday night transacted the following business:

--approved allocating \$70 to \$100 for striping the museum parking lot

--paid tribute to West End Symphony League for its recent cultural program

Womens Fellowship

The Womens Christian Fellowship of Alta Loma Community Church will hold their annual Rummage Sale in the Church parking lot at the corner of Baseline and Hellman from 10 a.m.

Those wishing to donate clothing or saleable items may call 987-1429, 987-1962, or 987-1819 for pickup.

Part of the proceeds from the Rummage Sale will aid the Navajo Mission in Arizona.

--presented a resolution of appreciation to Bill Smith commending the city employees for making the Disneyland concert a success (They manned the old ice cream parlor during the concert after a service club found itself unable to participate -- all on their own time -- keeping the cost of the goodies low, they sold 30 gallons of ice cream and 500 ice cream bars.)

--heard a report by Jack Clinton, chairman of the Park Bond Committee who told the group that the committee had been meeting regularly,

prepared posters, bumper stickers and handbills as well as had a speakers bureau and radio coverage

--discussed ideas on future needs of the Boys Club

--approved the idea of having teenagers on the park committee

--approved meeting places other than council chamber with the approval of places selected (Museum for November, Boys Club for December, Community Building for January, Teen Center for February, new library for March, Foothills Knolls football field for April, weather cooperating)

Special message to Upland and Ontario.

San Francisco is closer when you fly PSA from Ontario. \$15.24

Super 727 and 737 Jets. 5 flights a day. More on Fridays and Sundays. From East Los Angeles to San Bernardino, it's easier, closer (free parking and more of it) and less crowded than Los Angeles International.

PSA gives you a lift.

Thirsty Smoker Is Cuca Thief

A thirsty smoker burglarized the home of Leo George Mensen, 7777 Vineyard ave. in Cucamonga Tuesday, Oct. 22, Missing were three six-packs of beer, a carton of cigarettes, a 22 calibre rifle, a tape recorder and two men's rings. Total value was estimated at \$25. Thieves entered through an unlocked front door.

Young Kenny Hawker, 9805 Church street in Cucamonga reported the theft of his Stingray bicycle from the Central school yard on Wednesday, Oct. 23.

James Andrew Brooks of Upland was booked at the West End Sheriff's station on suspicion of complicity in Thursday's theft of a 1963 Honda motorcycle. The cycle was stolen from Wallace W. Feax, 9340 Foothill blvd., space 58.

Otis Harley, also of the trailer park, witnessed the theft committed by six youths. He personally detained Brooks and Ronald

J. Webb of Ontario until the arrival of Sheriff's deputies. The other four suspects escaped.

The cycle was recovered at 3:07 a.m. the following morning by Deputy Hobbs in a vacant lot across the street from the trailer park.

Mrs. Arthur O. Gosney, 9395 Deerbrook in Cucamonga, reported a prowler at her bathroom window on Friday, Oct. 25. Two suspects were seen.

Entering through a bathroom window, thieves struck the Red Hill home of Gary Lee Ward-drip, 7919 Camino Predera, between Saturday and Sunday morning. Missing were 4 guns and assorted articles of men's clothing. Value was estimated at \$290.

Cynthia Madeline Edoff, 8452 Via Ladera, Cucamonga, was listed as missing by her parents on Saturday, Oct. 26, at 9:56 a.m. She is still missing.

AL Trainee Is Honored

Twenty-five Chaffey College fire science academy trainees will be honored at a completion ceremony at 7:30 p.m., Nov. 7, in the little theater.

Chaffey president Harry D. Wiser will present completion certificates to members of the class.

The six-week academy is offered by the college in cooperation with CBFCA. Coordinator of this fourth academy is Ontario battalion chief Bob C. Halliburton.

Trainees include Theodore A. LaRue, Alta Loma Fire District.

Boy Scouts Laud AL Boy

One of the most honored lifesaving awards a Boy Scout can receive will soon be awarded to thirteen-year-old Donald Milne, Jr., 10196 Lemon street in Alta Loma, by the National Court of Honor of the Boy Scouts of America.

Donald a First Class Scout, put his Scout training into action the evening of January 26 when he saved the life of his nine-year-old neighbor, Donald McComb, formerly of 10216 Lemon. The McComb boy had stopped breathing as a result of severe croup when Donald administered mouth-to-mouth resuscitation.

This quick action started young McComb breathing again and undoubtedly saved his life, according to doctors who later attended the boy.

Milne learned the technique of mouth-to-mouth resuscitation from the training he received as a member of Troop 623, sponsored by the Grace Lutheran Church of Upland.

Donald was recognized by the Executive Board of the Old Baldy Council, Boy Scouts of America, at their recent Board meeting on October 17th.

He will be presented the Medal of Merit in formal ceremonies to be held at the Troop's November Court of Honor. Robert Berryman, chairman of the Council's Advancement Committee which recommended Donald for the award, will make the presentation.

Bloodmobile

The San Bernardino-Riverside County Mobile Blood Bank Unit will be at the Ontario YMCA, 215 W. "C" St., Mon., Nov. 4.

Anyone wishing to donate blood may do so between 11 a.m. and 2:30 p.m.

QUIMBY FOR SENATOR IN '70?

CHRISTENSEN BLASTS OPPONENT FOR "TOM SAWYER ATTITUDE".

When asked by a reporter if he would consider running for the State Senate in 1970, Quimby said, "There is a big difference in that extra two years a Senator has to work with. A Senator can vote his mind and convictions without worrying so much about the next election. He can miss a few interim hearings or go fishing, and no one will notice."

Quimby's opponent, Jim Christensen, had this comment, "I can only conclude that John Quimby has not voted his convictions because of the fear of having to stand for re-election every 2 years. This attitude towards public service is incredible. This disqualifies the man from serving the people of the 72nd District in any capacity. Send me to Sacramento to represent you and then John will have plenty of time for fishing."

Plans Begun For NOS Hobby Show By Cancer Society

\$186,907.32 Raised

SAN BERNARDINO -- With the drafting of the 1969 rules and regulations, completed, plans have been started for the Hobby Show to be held next March 6-16 in conjunction with the 54th National Orange Show in San Bernardino.

The Hobby Show exhibits will reflect the spare time interests of collectors, hobbyists and craftsmen throughout the Inland Empire. It will again be held in the National Orange Show Dome building.

"We urge hobbyists to enter new displays not previously shown at the Orange Show," said William P. Howard, Hobby Show committee chairman. "We are looking for the most outstanding and unusual examples of hobby classifications, with as many different and varied hobbies represented as possible."

The committee will give great care to the selection, arrangement and display of entries in order to provide the public with the most attractive displays possible, Howard said.

Entrants are requested to describe in detail the pieces they propose to show and the amount of space they will need, and to list any unusual or interesting feature about the work or collection. Data about the entrant himself is also solicited.

The two classifications are: 1, Handicraft, any hobby or craft of an odd or interesting or unique nature, and 2, Collections of all descriptions.

There are no entry fees, and the deadline for application to exhibit is Jan. 31, 1969. Ribbons and trophies will be awarded and all exhibitors will receive certificates.

Hundreds of exhibit forms have been mailed but additional papers may be obtained by writing to the Hobby Show committee, 689 S. E. st., San Bernardino, Calif. 92408.

ITEM: Automatic dishwashers offer many advantages. They not only save time and work, but wash dishes better and more sanitary than possible by hand.

The people of San Bernardino County were thanked for their generous support of the American Cancer Society by Alben Reid, County Crusade Chairman of the ACS.

Adding praise for ACS volunteers, Reid announced that \$186,907.32 was contributed by county residents during the Cancer Crusade ending with the fiscal year.

"Our initial goal, \$165,000, was reached only 72 days after the start of the Crusade in April," he said. "We're now nearly \$22,000 over the top."

Reid said that \$2,660 was donated by Montclair residents. Paul Jones was area crusade chairman.

He said that passing the goal will allow the San Bernardino County Branch to provide the

public with the best possible all-around program during the coming year.

In return, he asked for continued support from every individual in the

county and said, "The fight against cancer is still far from won. We must all work to increase the headway made by cancer research and the strides in public education."

"Cancer is the second leading cause of death in the United States. An estimated 27,500 persons will die of cancer in California alone in 1968. Although the survival rate of cancer patients has increased to one-in-three, if early diagnosis and proper treatment occurred.

Children's Theatre To Present "The Love For Three Oranges"

The Claremont Parks & Recreation Department sponsored Children's Theatre will present "The Love For Three Oranges" on Friday, October 25, and Saturday, October 26 in the Sycamore School Auditorium. The Friday performance is at 7 p.m. and the Saturday performance is at 2 p.m. Admission will be 25¢ for adults, and 10¢ for children.

"The Love For Three Oranges" is based on the Russian opera by Sergei Prokofiev. A wicked fairy casts a spell on a prince and he falls desperately in love with three oranges. The last orange contains a princess who also has been placed under a spell. After much trial and tribulation, the prince and princess marry and the whole court celebrates.

The children are using Prokofiev's music to dance to. The cast includes Martin Howard as the Prince, Shelly Waldman as the Princess, Shawna Stoll as Morgan Howard as the Prince, Shelly Waldman as the Princess, Shawna Stoll as

Morgan Fey the wicked

fairy. The rest of the cast includes: Mark Hough, Debbie Hopkins, Evan Carawan, Chuck Slossberg, Robin Sparks, Kael Thompson, Melinda Pastor, Sarah Pinney, Karen Stanley, Kristen Stanley, Tom Kasper, Philip Rainey, Tom Quaney, Lisa Vanelli, Emily O'Connor, Katie Hertel, Vallie Cooley, Shelly Stoll, Douglas Ross, Amy Gusman, Jennifer Gusman, Barbara Blizzard, Michael Kasper, Mary Theresa Kasper, and Kathy Brant. Mrs. Denise Kasper has done the choreography, and Mr. Jack Acosta has done the sets.

Registration for the next session of Children's Theatre will be held on Monday, November 4th, from 3:30 to 5:00 p.m. in the Memorial Park Patio Theatre. The class will meet on Monday, Wednesday, and Friday from 3:30 to 5:00 p.m. through December 14th. The play will be "The Nutcracker". The fee will be \$3.00 for the session. Mrs. Shirley Acosta will be the instructor.

Brumester Citrus Queen Contest Head

SAN BERNARDINO - Fred J. Brumester has been named for the 17th consecutive year to serve as chairman of the California Citrus Queen contest to be held as part of the 54th National Orange Show in San Bernardino next March 6 through 16.

Assisting in the production of the queen pageant, always a highlight of the citrus exposition, will be Royce E. Barnett, Charles J. Cooper, Don Dodson, David McCulliston and Reggie Sillas, all of San Bernardino; Leo L. Chase, Apple Valley; Stan N. Lemmond, Rialto; Paul L. Marsh, Pomona; Richard Miller, Highland; Fred Robards (cq), Tustin; and Bernie Scheppers and Mike Scheppers, both of Colton.

cleaning," Christensen continued. "We would start with some new Regents, and a good place to begin is with the Speaker of the Assembly. Jesse Unruh got that job with the support of John Quimby, and Jesse Unruh's failure to even attend the meeting of the Regents is what helped keep Eldridge Cleaver at Berkeley. This Santa Barbara insurrection is just another example of the permissive attitude allowed to take hold by those supposedly running our state schools. The lack of courage exhibited by too many elected officials like Unruh and Quimby will insure the fact that conduct like this will continue."

UCSB Surrenders To Radical Element, Christensen Says

"The property of the people of the State of California was held for ransom, and the Administration at the U. C. Santa Barbara campus just paid the kidnappers their full price," stated Jim Christensen, candidate in the 72nd Assembly district. Christensen was discussing the recent surrender by the Administration at the University of California at Santa Barbara to demands made by about 20 radical students. The militants had seized control of the building that houses the school's \$30 million computer system, and the school's officials agreed to meet their demands in fear they would destroy it.

"The Administration crumbled," Christensen went on, "under the pressure of 20 militants who now direct the activities of a school with an enrollment of over 12,000. It looks as though any group of malcontents who decide to capture a building are going to get what they want on our college campuses. This weak-kneed action on the part of campus administrators make eminently clear to extremists throughout our college system to go ahead and demand what they want; if they threaten to destroy something big enough, the demands will be met."

"The entire system of higher education in California needs a house-

IT'S THAT OLD BLACK MAGIC - Assemblyman John Briggs (right) chats with Billy Daniels at a testimonial dinner sponsored by "Friends of Assemblyman Briggs from Outside his District," at the Ambassador Hotel. Nearly 200 persons attended the event last weekend, honoring the 35th District assemblyman, and were entertained by Daniels' rendition of the perennial favorite and other well-known tunes.

SCE Chooses New Officers For Top Posts

Starting out with an exciting color documentary, "Down to the Sea in Ships," Southern California Edison Company this season will co-sponsor four hour-long television Specials, it was announced this week.

Beginning in December, the first of a series of prime-time color programs will appear on NBC-TV, according to Edison District Manager V.F. Martin.

Consisting of two Project 20 and two Special Projects programs, the four telecasts will focus on the cultural heritage of modern man and the people and events which have influenced the course of 20th Century thought and action.

Each Special will pre-empt regularly scheduled NBC-TV shows and will be co-sponsored by Southern California Edison and about 100 other investor-owned electric light and power companies in the 1968-69 national Electric Companies Advertising Program (ECAP), Martin explained.

"Down to the Sea in Ships," a spray-whipped ode to men, ships and the deep waters, will be aired

GIVE COMFORT - This child will receive loving care and the best medical attention at California Pediatrics Center, because you invest in people.

Wednesday, December 11, at 10 p.m. Pacific Standard Time.

The second program, "Down on the Farm," will appear Saturday, January 25, at 7:30 p.m. On Sunday, April 6, Edison will present "The Ship That Wouldn't Die--The USS Franklin," followed by "Mirror of America," on Sunday, May 11, the final program in the series.

The President who served the shortest time in office was William Henry Harrison, who died one month after his inauguration.

UPLAND H.S. MERIT SCHOLARS -- Semi-finalists in the 1968 Merit scholarship testing are (seated from left) Janet Rotfeld, and Gail Anderson. (Back row) Rick Vogt, Steven Watkins, and Roderick Shanner. These students ranked in the upper two per cent in scholarship with the 39,000 students in the United States who will graduate in 1969. They are still in the running for scholarships to be awarded in April. Not shown is David Ring, the sixth merit scholar.

Cheer-ful Wrappers

Attention wrappers who can volunteer for wrapping packages.

Cheer organization needs some of you to help get packages ready for the Christmas mailing to the men in Vietnam.

The big day is on Nov. 4 and if they aren't all finished, which they usually aren't in one day, then Nov. 5 will also be wrapping day. The place, Bills Ranch Market, 1383 E. Foothill Blvd., starting at 9 a.m.

Anyone having a service-man in Vietnam and who would like a box mailed to him for Christmas, is asked to call Virginia Dill, 985-4024 no later than Sat., Nov. 2.

CDS Meeting

Upland Memorial Cancer Dressing Station will hold its regular monthly meeting on Tuesday Nov. 5, at 611 North Third Avenue. The work hours are 9:30 a.m. to 2:30 p.m. (optional).

Those planning to stay over the noon hour are asked to take a sack lunch. Coffee, tea and dessert are furnished. New members are welcome.

At the October meeting 22 members present completed 111 dressings. All dressings are delivered to the area office of the American Cancer Society in Ontario for distribution to cancer patients-free.

For further information call 982-6003 or 982-2677.

Recreation Dept. Adds Programs

The Upland Recreation Department has made new additions to its winter program at Upland High school gym. On Tuesday from 7:30 to 9:30 p.m. there will be mixed volleyball in the gym, also, from 7:30 to 9:30 p.m. there will be mixed weight lifting.

Starting Thurs., Oct.

Coed Speaks To HS Youth

Zealous teams of young educational evangelists last week campaigned in more than a score of Los Angeles area schools exhorting minority students to stick with their studies and come to college.

Among the students was Yolanda Lopez, 9874 Main Street in Cucamonga. She addressed students at Pasadena High school.

The speakers, students at the University of California, Santa Barbara, are themselves mostly members of minority groups, and in many instances addressed student bodies at high schools where they were graduated last spring.

The far-ranging UCSB recruiters regard their campaign as perhaps the strongest among universities undertaking special drives to increase the ranks -- now woefully thin -- of Mexicans and Negroes enrolled at schools of higher learning.

The teams -- usually a Mexican-American, a Negro and a Caucasian or Oriental -- stress the clear fact that all worthwhile careers demand a college education. They describe college work and life to those who have never more than dreamed of going to a university.

Gallery Theatre Auditions

The Gallery Theatre, in Upland is seeking people to audition for the first show of the year, "The Impossible Years."

The auditions will be held Sat., Nov. 2 and Sat., Nov. 9 from 5 to 7 p.m. at the theatre, corner of Foothill Blvd., and Campus Ave., Upland.

The play is a comedy

dealing with a psychiatrist, his wife, and their teenage daughters plus all of their friends. Parts to be filled are teenage boys and girls, 13 to 18, and adult roles. Men are especially invited to audition. The play opens Jan. 2, 1969. Further information may be obtained by calling 982-5357.

Church Announces Evangelist Series

An evangelistic series began Monday, October 28 and will continue through November 3 at the First Church of the Nazarene, Upland, according to the Rev. Irving Sullivan, pastor of the church. Evangelist Charles Millhuff and Song Evangelist James Bohl, will conduct the services each evening at 7:30, Monday

through Friday, and on Sunday at 10:50 a.m. and 7 p.m. The public is invited to attend these services.

Dime-A-Dip Dinner Set

Upland Junior High PTA will sponsor a Dime A Dip Dinner on Fri., Nov. 1, at the Snack Bar Area of the school from 5 p.m. to 7:30 p.m. The Tony Mendoza trio will be playing during dinner. The public is invited to attend.

Celebrates Birthday

Joseph Allen Gula, son of Mrs. Ethel Gula, Upland, celebrated his 13th birthday recently. Helping him celebrate were Joe and Dorothy Raney, Joe Fuller, Marie Hollis, and his sister Gloria.

Public Invited To TV Show

All those who would like to join the Thilopochos Society for an evening in Los Angeles with Donald O'Conner and his TV show are asked to contact 982-4218.

Sat., Nov. 2, is the day they are going and invite the public to join them. Cost is \$1 per person.

Camera Club Plans Slides

Upland resident, Mrs. Marion Miller, will show the color slides which she took during a recent tour of South America, to the Euclid Avenue Camera Club members meeting. The meeting is scheduled for Fri., Nov. 1 in the chemistry room at Chaffey high school.

The public is invited to attend. Mrs. Miller is a member of the club. Clarence Scott, also of Upland, is president.

Planners Deny Zone Variance

Upland Planning Commission denied a zone variance on the Bulider's Emporium sign.

The store is to be located in the Upland Village Shopping Center and asked a variance on their proposed animated and lighted sign.

The commission denied the change because the height, oversize and animation of the sign was not compatible with the zoning code.

In other business, the commission -- Recommended a zone change of Harold Stewart on approximately 8 acres on the south side of 17th street

-- Recommended a conditional use permit for Panichos Taco House on the corner of Mulberry Ave. and Foothill Blvd.

-- Recommended a conditional use permit for the Betsy Ross Ice Cream Co. on the corner of Foothill Blvd. and Mountain Ave.

--Continued a variance of the sign change for the Upland Pharmacy.

The next meeting will be held Wed., Nov. 27 at 7:30 p.m. in City Hall. The change is required because the regular meeting day would fall on Thanksgiving.

The election is electric.

It wasn't too many years ago that candidates for public office were actually seen and heard by only a small percentage of the voters.

The electric revolution has changed all that. Television puts the candidates right in your living room. Radio lets them talk to you even as you drive to work. Electric

teleprinters and high speed presses bring you the complete text of speeches and announcements just hours after they're released.

Electronic data processing has made possible up to the minute opinion polls.

In many areas, new electric voting machines are now in use. Election returns come in faster,

and just as accurately as ever.

If you enjoy the national sport of campaign and election watching, you'll be able to follow it all on TV for just pennies. So little, in fact, you don't even think about it.

Only electricity can do so much for so little.

ART FESTIVAL BOOTH -- A group of students in the Industrial Arts class at Chaffey High school, put the finishing touches on one of the 18 booths to be used in the West End Symphony League Art Festival to be held on the mall, Sun., Nov. 24. Shown are Vaughn Himes, John Herrera, Everett Hunt, and Mark Peak. The project involved the whole class and was part of a cooperative program in the district.

Kenneth Beyer Claremont College Planner

CLAREMONT -- Kenneth G. Beyer has been appointed by the Board of Fellows to the new position of vice president for planning at Claremont University Center, The Claremont Colleges, it was announced today by Louis T. Benetz, president of the Center.

Mr. Beyer, who has been director of joint development for The Claremont Colleges since 1966, will be responsible for development and organizational planning among the several new enterprises at the University Center. The Center, which is the central coordinating institution for the six Colleges, has experienced a sharp growth in recent years in the development of new programs and institutes to broaden the role of The Claremont Colleges in public service. Most recent of the new enterprises is the Center for Educational Opportunity.

In announcing the appointment of Mr. Beyer, Dr. Benetz stated, "Claremont University Center exists to help The Claremont Colleges fulfill their joint responsibilities to the region, state, and nation as a center of higher learning and cultural resource. The Graduate School under Dean Rice's direction is its first function but there is a growing number of others. Despite our best efforts, the tasks we have been asked jointly to take on have multiplied too fast for careful planning and funding. I know of no one better qualified to focus these planning and funding efforts than Kenneth Beyer. He stands high with everyone who has known and worked with him over the years in the city of Claremont as well as at the Colleges."

Mr. Beyer, prior to joining the Colleges, was manager of engineering personnel, employment and education at General Dynamics' Pomona Division from 1955 to 1966. He had previously served on the administrative staff of Whittier College and also as development officer and assistant to the president of Pomona College. Mr. Beyer was mayor of the city of Claremont from 1962 to 1968. He has also served as vice mayor and member of the city council.

A native of Iowa, Mr. Beyer received a B.A. in Psychology and an M.A. in Education from Whittier College. He is married and has four children. The Beyer family resides in Claremont.

Applications Available For State Academy

Assemblyman John V. Briggs (R-Fullerton) announced today that young men between the ages of 17 and 22 years who are high school graduates, may apply for nomination as candidates for appointment to the California Maritime Academy in Vallejo.

The State-operated Academy educates and trains young men as Merchant Marine officers, with graduates receiving a Federal license, as well as a B.S. degree in Nautical Science or Marine Engineering.

A California Senate resolution provides that state senators and assemblymen representing an odd-numbered district will each have an appointment available to the Academy in 1969.

Appointments are judged entirely on competitive examination and eligibility requirements. Prospective candidates must take college entrance examination board tests no later than March 1969.

Applicants residing in the 35th Assembly District should call or write Assemblyman Briggs at his District Office, 3711 N. Harbor Blvd., Fullerton, as soon as possible.

ASK A "SIMPLE" QUESTION

Smart fishermen ask "simple" questions.

At least so it seems on occasion... especially to the green beginner who would rather go home skunked than reveal his ineptitude.

It's no crime to ask questions, say the fishing authorities at Mercury Outboards. In fact, the real pro always takes advantage of every bit of local advice he can ferret out.

But whom you ask is important. Certainly, not everyone you run across during a session on the water is worth talking to, much less attempting to obtain information from. In short, seek out the expert.

Don't waste time with the individual who swings his rod like a flyswatter. He'll be no real help. Neither will the bank fisherman who usually resents what he considers an invasion of his personal fishing territory.

Look for the man using artificials, casting smoothly and with little effort. Often this type of person not only can give valid information, but doesn't mind sharing it with others.

How he is approached determines his responsiveness.

Good manners and courtesy are the mark of top-flight fishermen. Extend them always, and they'll be returned in kind. This means moving up to within talking distance, but without disturbing another's fishing. Never approach through a stretch of water he is going to fish.

Engage in polite conversation. Ask your questions. Keep them general about locations, depths, and lures. Don't expect to have the exact lures and pockets pinpointed. These you must find for yourself.

Soliciting assistance is no disgrace among the very best anglers, comment the Mercury lads.

Those who fail to ask "simple" questions seldom fool the fish—only themselves.

Philo Biane European Wineries

Philo P. Biane, president of Southern California's 136-year-old Brookside Vineyard Company has left on a 22-day survey of current conditions in overseas wine countries.

As a member of the "U.S.A. Wine and Vineyard" Leaders Delegation, Biane will observe winery operations in France, Roumania, the Soviet Union, Hungary, Italy, and Spain. The 20-member delegation of 18 California and 2 Ohio wine experts will exchange information with their foreign counterparts in a goodwill program of the national People-to-People organization.

Biane is accompanied by his wife Jean. He said that highlights of the overseas vineyard and winery survey will be the 12th International Wine Congress in Bucharest, a tour of France's Champagne District, Jerez de la Frontera in Spain, and the Soviet Union—which is rapidly becoming one of the world's leading wine producers.

Brookside Vineyard Company has varietal wine grape vineyards in the Guasti and Escondido wine districts, a landmark winery in Guasti, and operates 15 other Brookside branch wineries from San Diego to Ventura. It is a Charter Member of the State of California's "One Hundred Years in Business Club."

Servicemen

Airman John L. Gordon, USN, 19, son of Mr. and Mrs. Jack L. Gordon of 8267 Tapia-Via, Cucamonga, is serving aboard the nuclear-powered attack aircraft carrier USS Enterprise.

Crewmembers of the carrier have been awarded the Navy Unit Commendation in recognition of the ship's performance off the coast of Vietnam.

This is the second consecutive year the award has been presented to the Enterprise.

The ship is currently in dry dock at Bremerton, Washington. Upon completion of the dry dock period the carrier will return to her homeport at Alameda, California.

THEIR HANDIWORK -- Surveying their handiwork, the book, "Cooking Plain and Fancy" are Mrs. Dwight Goins, Miss Miriam Bowers, Mrs. Roy Stump and Mrs. Donald Feaster. All are members of the Upland Brethren in Christ Church. The book includes 600 recipes.

Art Luciani Starting Fullback At Cal State

When Cal State Los Angeles fullback Art Luciani, a resident of Upland, carries the ball, opposing defensive players shudder.

Luciani, nicknamed "The Bull" because of the way he charges through opponents' lines, carries his 220-pounds on a solid-constructed 5-9 frame.

Although hampered by back injuries all season, Luciani has still managed to score three touchdowns, two on seven-yard runs, the other an 18-yard pass.

In addition, he has lunged the ball 22 times and gained 117 yards, a 5-yard plus average. The scrappy senior has also returned a kickoff five yards.

Although he played linebacker in 1967, Luciani did carry the ball 23 times, running up 65 yards on the ground.

After a frosh campaign at Kansas, Luciani was named to the all-conference squad when he vied at Chaffey J.C. He was also all-league at Chaffey high.

Art Luciani

WORK PAYS OFF -- Dave Conger, a student at Alta Loma High School, goes over some of the finer points on a picture with his art teacher, Roy Freer. Dave's painting was chosen to be shown in the International Red Cross exhibit.

what's new?

Do-It-Yourself Lettering

A PROFESSIONAL job of adding numbers or letters to one's camping trailer or front curb, can be done quickly and easily with the use of a set of cardboard pre-cut stencils and an aerosol can of Derusto Spray Paint. In a wide variety of colors, including fluorescent, Derusto spray paints are available in most hardware and paint stores. (NP Features)

Pet House Paint

KEEPING the interior of Fido's house clean and sanitary is easy when it's been painted with Derusto Epoxy Spray paint. In handy aerosol spray cans, this quick-drying, non-toxic, epoxy paint with diamond-like gloss and hardness can be applied quickly and easily over almost any surface including metal, wood, masonry and fiberglass. Soap and hot water cleans the surface in minutes. (NP Features)

Owl TOPS Invite New Members

Crowned Queen of the Week at the recent meeting of Owl TOPS was Mrs. Mario Carcich for her three pound loss. Mrs. John Norman received the same honor for the preceding week for a four and one-half pound loss.

A Half Way to Goal charm was awarded Mrs. Richard Pelliteri.

The arrival of Ronald David Schmidt, infant son of Mrs. David Schmidt, was announced by club president, Mrs. Rosa Cambiano. The club members commended Mrs. Schmidt for gaining only four and one-half pounds during her stay in the Stork Division.

Members will compare past appearances when wedding pictures are brought to the next meeting.

Owl TOPS meets each Tuesday from 7:30 to 9 p.m. at Hawthorne school library. New members are cordially welcome.

London firemen answered 20,383 calls in 1967, compared with 33,907 in 1966.

CPC Approves/Cuca Site For Business

SAN BERNARDINO (CNA) - A proposal to establish a wrought iron furniture manufacturing business in the Cucamonga area was approved Thursday by the County Planning Commission.

Glyde R. Ovitt appeared before the commission in behalf of a partnership planning to operate at the northwest corner of 8th street and Vineyard avenue, just south of the Santa Fe tracks.

Arthur Allen, of the planning staff, told commissioners the property was previously occupied by a contractors storage yard. He said the site and the facilities are adequate

for the proposed business.

Supervisor Lewis L. Pierce said the approval should be based on conditions that no materials be stored outside and that no welding be done outside.

Allen answered that the light industrial zoning on the land permits outdoor storing, and Ovitt declared some welding outside would be necessary.

Pierce relented, and the site was approved without conditions.

Braves, Cavaliers Win, Upland Tied

First Victory In League Play

The fact that Montclair high had scored one more touchdown than the Garey Vikings prior to Friday night's clash of the beatables in the San Antonio League prevailed, with the Cavaliers gaining their first victory, 26-20.

Sparkling behind the pin-point passing of sophomore quarterback Greg Campbell the Cavaliers took off on the opening kickoff, driving 65 yards for a touchdown. The highlight of the drive was a 49 yard pass-run play from Campbell to Russ Austin which put the ball on the Garey 3. Halfback Bob Winkler covered the remaining yards on a run off tackle for the score. The pass for the PAT was unsuccessful.

Garey came right back with a bit of razzle-dazzle of their own with a passing and running attack to the Cavalier I. Allen Ransom took the pigskin in from there. The score remained knotted at 6-6 when the PAT attempt was wide to the right.

Late in the second quarter Montclair again penetrated to the Garey 5, following a key fourth down pass to end Gary Turner. Sophomore fullback Stan Combs on a quick opener up the middle plowed his way over for the score. Montclair's attempt for the extra point again fell short, as halfback Bill Daniels was knocked for a loss on the 4.

With less than 2 minutes before the halftime gun went off Garey used little time to get on the scoreboard again, climaxed by a 75 yard pass-run play from Don Gray to Ransom. Ransom put his team ahead by one

point as he rambled over for the PAT with 27 seconds to go.

But the home team wasn't through yet as Campbell completed a 48 yard pass to Bob Winkler and a 12 yard TD aerial to end Rick Rosas. Russ Delange made it 19-13 with a successful extra point run.

The final Montclair score came on the first offensive drive of the Cavaliers in the third quarter. After driving to the Garey 33, Campbell threw a bomb to Delange in the end zone. The final point was added on a run by Winkler.

Garey kept the game close in the fourth period by scoring on a 13 yard pass from Gray to Dan Dench for the TD. The PAT was good.

Stopping the Cavaliers for a total of 2 yards net the Vikings had the ball for 3 more attempts at a tie, but were halted each time on a key defensive play by the Cavaliers. Aiding the Montclair cause was defensive back Dan Ridd, who intercepted 2 passes to squelch Garey drives.

ALTA LOMA'S SOPHOMORE quarterback Tony Grasso (31) completes a handoff to Tom Blessent (32) in a short gainer against La Puente Wilson

last Friday in a Hacienda League clash which saw the Braves completely dominate play with a 33-0 victory.

Upland Surprized By Chino Tie, 6-6

UPLAND - A strong Chino High school defense dealt Upland's bid for the San Antonio League varsity football title a mild setback here Saturday night as the two teams battled to a 6-6 draw at Highlander Field. The tie dropped the Highlanders into second place with a 3-0-1 (won-lost-tied) record, one-half game behind front-running Claremont (4-0). Chino broke the scoring ice with 9:22 left in the first half when Dave Tapla broke off right tackle and sped 75 yards for a touchdown.

Upland evened the score with 1:04 left in the third period when Paul Katona tallied on a one-yard quarterback sneak to cap a 72-yard drive in 14 plays - the only sustained march the hosts generated.

Chino had threatened again in the second quarter when the winless Cowboys had a first down and goal to go on the Upland one. But a delay of game penalty and an

interception by Steve Quinn thwarted the bid.

With just 30 seconds left in the game, Chino drove to the Upland 20 from where Jack Surina tried what would have been a 38-yard field goal, but the attempt was wide to the left although it had enough distance.

Cucamonga Tops In West End

Cucamonga junior high's flag football teams maintained their first place status in the Alta Loma, Etiwanda, and Cucamonga junior high leagues (West End League) this past week with win in both the 7th and 8th grade divisions.

Cucamonga 8th graders defeated Los Amigos, 12-2; and Etiwanda won over Alta Loma, 26-6. In the 7th grade division Cucamonga squeezed by Los Amigos, 7-6; while Alta Loma beat Etiwanda handily, 28-0.

Upland Harriers Gain MSAC Title

WALNUT - Upland High won the varsity championship in the 20th annual Mt. San Antonio College Cross Country Invitational Saturday. A total of 158 high schools from throughout Southern California participated in the meet.

The Highlanders compiled a 55.36 time on the hilly two-mile course to

edge Monte Vista of San Diego for the championship. Angus Gordon, Bob Sos, Doug Slater, Stan Self and Joe Rodriguez ran on the Upland team. Gordon was second in the individual standings with a time of 10:37.

Other local youths placing high included Robert Teden of Chino, Joe Gregorio of Ganesha and Pete Prew and Bill Cline of Walnut.

Pomona High placed second in the sophomore standings with a time of 1:00.10 and Upland finished fourth in the freshman races at 1:03.59. Claremont's Cameron Munter was fourth among the freshman runners with a time of 11:57.

Upland, 9:58; Monte Vista, 10:37; West Terrace, 11:02; Camarillo, 11:30; San Marino, 12:34; Salesian, 10:35; Gordon, 10:37; Meija La Habra, 10:45; Compton, Lakewood, 10:50; Gomer, Duarte, 10:52.

Alta Loma Gains 2nd League Win

ALTA LOMA - A defense sparked by the hard-hitting Jess Loebach and three touchdowns by fullback Tom Fowlkes led Alta Loma to its fifth straight Homecoming victory Friday night as it defeated Wilson, 33-0, at Chaffey College.

It was the second shut-out of the season for Coach Forrest Anderson's forces as the Braves evened their Hacienda League record at 2-2 to keep their slim title hopes alive.

Loebach intercepted one pass, caused two fumbles and was instrumental on most every tackle that limited the Wildcats to seven yards on the ground and 40 through the air.

Fowlkes scored three second period touchdowns on runs of two, two and seven yards - all off left tackle - as the Braves went into the dressing room at halftime with a comfortable 20-0 advantage.

His first two-yard score culminated a 56-yard drive in 11 plays as he went over on the opening play of the quarter. Loebach then caused a fumble, recovered by Randy Ranck, on the Wildcat 19.

Five plays later, Fowlkes scored again from two yards out.

His third score came after a three yard punt by Mike Hartig that put the ball on the Wilson 33. After three running plays took it to the seven, Fowlkes squirted through the hole and into the end zone.

Quarterback Tom Grasso, who rushed for 40 yards, connected on a scoring strike to end Grant Hollist on a play that covered 27 yards.

Terry Carlson then added his third placement to make it 27-0.

Then with time running out, Grasso again went to the air from the 20-yard line and Ranck made a leaping catch in the end zone for the final score.

Alta Loma showed a balanced running attack led by sophomore Doug Hall with 46 yards in 12 carries. Fowlkes added 44 yards on 12 carries and halfback Dan Stevenson rushed for 23 carrying the ball six times.

Wilson picked up only three first downs all night with only one coming in the first half. The Braves turned the breaks, four fumbles, into scores and made a predicted close contest a rout.

Wilson	Alta Loma	Scoring
AL-Fowlkes (27-yard run off left tackle at 1:18 of the second quarter, Carlson kick)	0	0
AL-Fowlkes (27-yard run off left tackle at 9:32 of the second quarter, Carlson kick)	0	0

Health Department Offers Home Drug Safety Tips

Concerned that many families may not be following safe practices in storing and using drugs Dr. Merle E. Cosand of the San Bernardino County Health Department outlined several basic suggestions for improved home drug safety.

He cautioned that many drugs and medicines lose their potency in time and may even be dangerous. Buying and storing them in large amounts could invite trouble, he said, and urged that the date purchased be written on the label of all non-prescription drugs. He explained that they then can be regularly checked for age along with all prescription items which by law are dated.

Dr. Merle E. Cosand emphasized that medicines and drugs should always be kept away from children and strongly recommended that all such items be stored out of their reach, even under lock and key if necessary. He pointed out, too, the importance of keeping drugs in original containers. This practice prevents a drug from being mistaken for another medicine which may resemble it. "If a label should come off," the doctor said, "stick it on with transparent tape and don't rely on color, type of bottle, shape of pill, etc., for identification."

Dr. Merle E. Cosand also warned against the practice of using medicine prescribed for one person on another without first consulting a physician.

He then suggested that every medicine cabinet be inspected and old, outdated drugs be thrown out, especially those prescribed for specific illnesses or conditions which have been cured. Drugs may be disposed of by flushing them down the toilet, but in no case should they be put into the trash, he said. Also, empty drug containers should not be discarded where inquisitive children or pets can get into them.

Dr. Merle E. Cosand urged area residents to check their home drug safety habits now and regularly in the future. Questions about storing, handling and disposing of drugs can be answered by the prescribing physician, a registered pharmacist, the Poison Control Center at Los Angeles, and by your health department. "With the safety of all in mind, we will cooperate in every way with our citizens in helping them establish safe drug-use practices in their homes," Dr. Merle E. Cosand concluded. Area residents may call the health department at Turner 9-0111, Ext. 482 for further information.

County Museum To Have Workshop

An exciting Conference Workshop is scheduled for November 2-3, 1968, at the San Bernardino County Museum, 18860 Orange St., Bloomington, California.

Location of the Workshop, arranged by Dr. Leslie Merrill, Director of San Mateo County Museum and Conference Chairman, makes possible presentation of several unique "How-do-you-do-it?" features.

While the Fall Board of Directors meeting is in session on Saturday morning, November 2nd, the members' family and friends will have the opportunity of visiting the Museum. There will be time later for Board members also to tour the Museum buildings.

The Saturday luncheon meeting will feature Dr. Gerald A. Smith, founder and present director of the San Bernardino County Museum.

A bus tour past the Agua Mansa Cemetery to the Sepulveda Adobe in Yucaipa and the San Bernardino Asistencia de Mission San Gabriel will provide both visual and vocal information on the "How to" of three different types of restoration currently under consideration.

Climaxing the day's event will be the dinner meeting featuring Miss Ruth Simpson, San Bernardino County Archaeologist and Field Director at the recently much-publicized Early Man Excavation at Calico near Yermo. Miss Simpson is exceptionally well qualified to describe "How to Develop an Archaeological Excavation" since the site at Calico is the only one in North America being developed by the techniques suggested by Dr. L.S.B. Leakey.

Sunday morning will be devoted to an interesting variety of Section Meetings.

"Hamlet" At Chaffey

Lawrence Olivier's "Hamlet" will be shown at 8 p.m., Nov. 1, in the Chaffey College little theater.

The distinguished Britisher takes the role of the man of thought who falls as a man of action in the Shakespeare tragedy. The 159-minute film earned five academy awards.

Also on the Heritage Film program for that evening will be a featurette close-up of Edith Hamilton, author of "The Greek Way."

Coordinator of the Her-

itage Series is Robert E. Smith, Chaffey art professor.

The college offers the series as a public service. Admission is free.

The Arthritis Foundation is one of 13 major health causes operating in greater Los Angeles which receive funds collected by AID-United Givers from individual donors. Last year over \$108,000 was allocated to arthritis through AID contributions.

Real Estate

The Services of a Realtor By Milton Stone, president Ontario-Upland Board of Realtors

Why should I use the services of a Realtor, or any other real estate broker?

The question is sometimes asked, so let's answer it.

The average family buys a home two or three times during a lifetime. The Realtor acts as agent in hundreds of transactions. He becomes adept at fitting the needs and desires of buyers to the needs of sellers.

During the process, he sifts the market constantly as only an individual in that business can. He knows of fluctuations in the mortgage money market, zoning changes and contemplated changes, developments going in, new schools, the scope of general activity in real estate.

All of this daily experience and knowledge becomes available to the buyer at no cost to him because the seller is paying for the Realtor's services through a commission. The seller, too, is relying on the Realtor to apply such daily knowledge and experience to find a buyer who is financially qualified to buy and to get a price that accurately reflects the market.

One way of using this service is to consult a Realtor when you first begin thinking of buying property. He can give you counsel concerning what is available in your price range, advise you what type of property and what location could possibly suit your needs. He can keep his eye open for the right property for you.

This may not be practical. You may not have your ideas in definite enough shape to take even that step. Then study the classified ad for real estate. They are an education in themselves--giving a course in price trends, what features are important, what areas of the city are most active. Follow up some of the ads and talk to the Realtor who placed them to give yourself a better comprehension of the market for your particular kind of property.

The best way to take that step is to select a Realtor you come in contact with and find helpful and compatible, then follow up the classified ads with him. He can quickly find out the particulars about the property from the Realtor who has it listed and help you judge if it suits you. It may be in the multiple listing service to which he belongs, in which case he

already has the principle facts about the property. The advantage of dealing with one Realtor is that he then knows that if and when you buy, you will probably buy through him. He knows you are sincere, forms a background knowledge of what you do or do not like or want. He wants you as a satisfied client.

Classified ads also guide you to "open houses," property a Realtor or his salesman is waiting to show to anyone interested. The owners are usually gone for the day to help the inspection property groomed to show its best features. If interested, you can explore facts about the property with the real estate people showing it or with your Realtor friend.

This is not to suggest that you become a professional looker. These are people who look at so many houses over such a long period of time that they lose sight of what they really want. Oftentimes they end up making a poor buy for their needs. Most of us have had the experience of looking too long or too hard for a mental ideal of a coat or suit or some other object, finding there isn't any such ideal, then settling for something our numbed taste later finds unsatisfactory. It can happen in buying property.

Following up ads and dealing with a particular Realtor exposes you to one kind of property that you might otherwise miss completely. That's the property that has just come on the market and is not yet advertised. The Realtor who knows what you are looking for can tell you about it and show it to you before it has had much exposure in the marketplace.

It is a fact that most people do not buy the house they follow up in the ad. It is also a fact that most people following up an ad are shown other comparable properties by the Realtor who knows they are considering it. Among them are properties they may not have realized were suited, new listings, and older listings that had been waiting for just that looker's needs.

These are some of the reasons why you should use the services of a Realtor or other real estate broker when you want to buy property. The biggest reason is that he is trained to help you find what you want, to help you achieve the deep satisfaction that comes from buying and enjoying property that suits you.

Welcome Wagon Seeks Hostesses

More than forty years ago, Welcome Wagon International, instituted the first welcoming service of its kind. The original idea of a friendly neighborhood gesture has grown to be an organization of over ten thousand hostesses, representing over one hundred thousand business men in cities in the United States, Canada, Australia, Hawaii, and the United Kingdom. The heart of a Welcome Wagon call is that it is local in service and the most successful media for personalized public relations.

The friendly, well-groomed hostess with "The Most Beautiful Basket In The World", carries greetings to the new-comer in a strange city, from the local Chamber of Commerce, the churches, schools, the Mayor, and many service organizations. New residents are invited to join the Welcome Wagon Club, where they meet other new people just moving into the area. In addition the Hostess gives out information for the local merchants who subscribe to the service. Thus her mission is two-fold; she carries civic information so necessary to a new-comer, and also recommends reliable merchants with whom she may shop. A new class for Hostesses, to be trained in business and civic pro-

cedures will be held in November. Women who are interested are asked to call or write: Madeline Meggitt, 1514 E. Woodbury rd., Pasadena, Calif. 91104, or call 797-4513-Answering Service-931-6261 for an interview. All applicants must be well-groomed, own a car, be able to type, and enjoy meeting people.

PTA Sponsors Spook-ORama

Community residents are invited to "wander into the world of the weird" at the Cucamonga Central school Spook-house, during the big Spook - O-Rama, which will be held Saturday, October 26, from 1 to 5 p.m. In addition to the spooky occupants of the Spook-house, pony rides, food, games, prizes, a cake sale, bazaar booth and "Mr. Balloon Man" will be featured.

The advance ticket sale for the Spook-O-Rama ended October 16 and the winners of the cash awards were Brett Henderson and Diana Gracia. Runners-up in the contest were Mike Mogensen and LeAnne Stegall.

The New York Pathological Society was organized by Willard Parker in 1843.

Santa Claus Special Ship To Deliver Servicemen Gifts

Tons of St. Nick's gifts will be going to members of the Armed Forces in Vietnam by special ship this year, thanks to a joint Pentagon - Post Office venture.

A fast U.S. cargo ship will be designated the "1968 SANTA CLAUS SPECIAL," sailing from Oakland, California next month with Christmas parcels.

To meet the sailing deadline and assure pre-holiday delivery of gifts sent with surface postage, items should be mailed

during the October 14 - November 9 period. They should be marked "SANTA CLAUS SPECIAL" just below the stamps.

The "SANTA CLAUS SPECIAL" will sail during the latter half of November and stop at Da Nang, Qui Nhon, Cam Ranh Bay and Saigon, Vietnam. It takes approximately three weeks for a fast ship to cross the ocean.

All gifts should be packed in strong containers with adequate

cushioning and correctly addressed, including APO and FPO numbers.

There are several options available for mailing to the military which can save money. Post Offices across the nation have free pamphlets available which outline the mailing programs for servicemen and women overseas.

To make sure your large gifts sent surface postage arrive on time, put them in the mail by November 9.

LWV Opposes Prop. 9 Advocates Prop. 1

The League of Women Voters of California will oppose Proposition 9, the Watson Initiative, and will support Proposition 1, Constitution revision, on the November 5 ballot.

Mrs. John O. Ahern, president, announcing the League's position on Proposition 9, stated:

"For years our members have supported measures to improve the financial structure of our school system. Many of our members expressed concern over the effects this measure would have on support of local schools, and urged opposition to this proposition. Chief member anxiety was expressed regarding the provision prohibiting use of the property tax as a revenue source for support of schools, without providing another means of local support. Sixty per cent of the school budget comes from the property tax. It is the only local source of

funds available to school districts. Local financial support enables a school district to provide the kind of school system its community would like to have.

"The League also believes that Proposition 9 would severely limit the flexibility of the Legislature in dealing with the pressing problems of financing state and local governments in California by setting a limitation on a major revenue source. We want a State Constitution with provisions which enable the Legislature to deal with state problems with flexibility, unhampered by unnecessary restrictions.

She went on to say: "The severe limitation on the bonding powers of local government would also limit the power of all government officials to carry out their responsibilities to provide facilities and services desired by their citizens. This measure would at least delay and possibly stop construction of needed facilities for a number of years. The state has already reached a bonded debt of approximately 10% of its assessed valuation and if this debt is to be added to the existing debts of local governments and school districts, then the combined bonding may already exceed the limitation proposed by Proposition 9. The ambiguity of the language in the amending could even impair the ability of the State to complete facilities already approved by the voters."

Referring to Constitutional revision, Mrs. Ahern stated: "The League of Women Voters of California is reaffirming its support of Proposition 1 on the ballot. Essentially this measure revises and updates the Constitution by reorganizing the format, modernizing the language, eliminating obsolete provisions and transferring to statute procedural and administrative detail. The League has worked for many years in the field of Constitution revision and joined with the voters in approving one-third of the Constitution in 1966. This measure is a continuation of this much needed reform."

Men In Service

Gene Reed

Marine Private Gene O. Reed, 21, son of Mrs. Ione F. Tooley of 4478 Princeton, Montclair, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.

Gary Wendle

Airman Gary R. Wendle, son of Mr. and Mrs. C.R. Wendle of 8489 18th St., Alta Loma, Calif., has completed basic training at Amarillo AFB, Tex. He has been assigned to the Air Force Technical Training Center at Sheppard AFB, Tex., for specialized schooling as

an electrical power specialist.

Airman Wendle is a 1967 graduate of Upland High School.

Mike Forsythe

Marine Private Michael L. Forsythe, 17, son of Mrs. Harry A. Martin Jr. of 10167 Mills Ave., Montclair, Calif., was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

Christopher Maddocks

Airman Christopher M. Maddocks, son of Mr. and Mrs. Robert W. Maddocks of 7565 Vineyard Ave., Cucamonga, has

completed basic training at Lackland Air Force Base, Tex. He has been assigned to the Air Force Technical Training Center at Chanute Air Force Base Ill., for specialized schooling as a weather specialist. Airman Maddocks is a 1968 graduate of Notre Dame High School in Riverside.

Arthur Ayala

Marine Sergeant Arthur Ayala, son of Mrs. Laverne Ay-

ala of 8203 Archibald Ave., Cucamonga, is serving in South Vietnam with Force Logistic Command (FLC).

FLC provides essential combat materials for more than 80,000 Marines plus Republic of South Korea troops operating in the five northernmost provinces of South Vietnam.

It is the largest support and supply complex in the history of the U.S. Marine Corps.

David De Mauro

Army Private First Class David P. De Mauro, 22, son of Mr. and Mrs. Anthony G. De Mauro, 660 Opal Ct., Upland, was assigned August 25 to the 25th Infantry Division near Dau Tieng, Vietnam, as an infantryman.

Robert Ostrom

Army Specialist Four Robert J. Ostrom, 21, son of Mr. and Mrs. Robert E. Ostrom, 273 Benson

Ave., Upland, Calif., was assigned August 3 as a Hawk missile repairman in the 56th Artillery near Long Binh, Vietnam.

Everett Dick

Airman Everett L. Dick, son of Mrs. Dolores J. Smith of 10398 Ramona Ave., Montclair, has completed basic training at Amarillo AFB, Tex. He has been assigned to the Air Force Technical Training Center at Keesler AFB, Miss., for spe-

cialized schooling as a communications - electronics specialist.

Airman Dick, a 1966 graduate of Montclair High School, attended Chaffey Junior College. His father, Calvin E. Dick, resides at 9979 Ramona Ave., Montclair.

Vincent Wilde

UPLAND-Sonar Technician Third Class Vincent L. Wilde, USN, son of Mr. and Mrs. Vincent L. Wilde of 1328 Taylor

Way, Upland, is serving aboard the anti-submarine warfare support aircraft carrier USS Yorktown at Long Beach, Calif. As a crewmember, he is one of the 3,000 man team operating to protect U.S. Pacific forces from the threat of submarine attack.

His ship recently returned from a seven month deployment in the Far East and is presently undergoing overhaul at the Naval Shipyard in Long Beach.

AC214 884-8718

Dear Friends:

I would like to review with you two years of progress in this Congressional District — San Bernardino County.

More of your Federal tax dollars have been returned to this Congressional District during the past two years than to any other district in the entire United States.

During this two year period more new industry and businesses have moved into San Bernardino County than in any previous two year period.

Employment has reached an all time high and unemployment is lower than it has been for over ten years.

Never before have our five major national defense installations (Norton AFB, Twentynine Palms Marine Corps Base, Fort Irwin, George AFB and Barstow Marine Corps Supply Center) been stronger or contributed more to our county's economy than today — approximately a half billion dollars in 1968. This includes payrolls, goods and services purchased and construction.

Job training programs, flood control projects and other vital Federal participation activities in San Bernardino County are also at a record high.

These accomplishments are the result of a team effort and the envy of many Congressional districts throughout the nation. I sincerely appreciate the opportunity I have had to serve as your Representative in Congress these past two years.

I ask your help to keep San Bernardino County on this progressive course. Our county is on the threshold of great potential growth. I would like to be a part of this exciting future, to help plan programs which will solve our many problems. With your continued support and vote of confidence on November 5th, this will be possible.

Sincerely,

JERRY L. PETTIS
Member of Congress

- JERRY PETTIS was selected as one of the twelve outstanding new Congressmen by the Christian Science Monitor.
- JERRY PETTIS was awarded the coveted "Watchdog of the Treasury" award for his efforts to restore fiscal economy to government by the National Associated Businessmen.
- JERRY PETTIS was selected by the 57 new Congressmen to be their spokesman on the Congressional Policy Committee.

Four Consultants Join SB County Schools In '68

Four consultants have joined the San Bernardino County Schools Office this year, according to Supt. Roy C. Hill.

They are Mrs. Jeanne Davis and Lee L. Waters in special education, Mrs. Loretta Hancock in guidance, and Russell Dickinson in business advisory services.

Mrs. Davis has a B.A. and M.A. from California State College at Los Angeles and is in the doctoral program in mental retardation at USC. She has been a teaching principal of the Trainable Mentally Retarded at Magnolia school, and has been a demonstration teacher, adult education, and secondary teacher.

Waters has a B.S. from San Jose State College, M.A. from San Fernando Valley State College, and graduate work at USC. He was a tutor of the deaf at John Tracy Clinic in Los Angeles, teacher at the Tri-County school for the Deaf in Watsonville, and executive secretary for the California Association of Teachers of Deaf and Hard of Hearing Children.

He has published an article on the educational

program for parents of multiple handicapped children. Waters is married and has two children.

Mrs. Hancock will be based in the Victorville office. She is a native of Michigan and has a B.A. from LaVerne College and an M.A. from California State College at Los Angeles.

She did social work in Chicago and Alabama and has served as educational and psychological consultant for Dependency Prevention Commission Day Care Centers. She taught elementary school in Michigan and San Bernardino, junior high and TMR in Bloomington, and TMR for County schools in the West End. She is married and lives in San Bernardino.

Dickinson has an Ed. B. and Ed. M. from the University of Buffalo plus graduate work at UCR, Redlands and L.A. State. He taught in New York and at Fontana High school, becoming coordinator of distributive education at Fohl.

He lives with his wife and three children in Fontana.

New Writing Instrument

Many of America's 50 million students now returning to school will be using new study tools and techniques. One such tool, expected to become very popular among high school and college students, has the unlikely name of the Yellow Billed Wordpicker. Developed by Scripto, the writing instruments people, it makes studying lots easier.

The "Wordpicker" is a writing instrument with a wide, flat writing surface. It features a pocket clip for easy carrying, a removable cap, and comes filled with yellow ink.

To use the "Wordpicker," students simply draw the instrument across key words or sentences in text books and other material. The "Wordpicker" blankets the word or phrase with transparent yellow ink, making the passage practically jump out of the page.

When studying for exams, students review only those portions which stand out in yellow. Since only important points have been highlighted, the student has extra time for additional review or more thorough study.

Either way, the "Wordpicker" helps them get better grades. (NP Features)

Air California Boasts Baggage Service Deluxe

Passengers flying from Ontario International Airport to San Jose and Oakland aboard Air California will have the convenience of curbside baggage check-in, according to Dudley Miller, Air California marketing vice president.

"It is our goal to provide the most convenient service available," Miller said, "and we believe that starts with rapid baggage check-in facilities." Miller said skycapporters will check and tag baggage for Air California passengers at the main entrance to the Ontario airport terminal. Passengers will then go directly to the Air California passenger service counter without having to carry their luggage into the airport.

The Air California counter is located just inside the airport's main entrance.

Passengers aboard early morning Air California flights serving Ontario International Airport will receive Continental breakfasts, consisting of orange juice, a breakfast roll and coffee, Miller said.

Service from Ontario to San Jose and Oakland begins Sunday, Oct. 27. The initial schedule calls for four daily round-trips to both Northern California cities using 113-passenger Boeing 737 jets for most flights. Flights will leave Ontario at 8:35 a.m., 1, 5 and 8:30 p.m. One-way fare is \$25.25 plus tax.

The U.S. Army Reserve teaches skills that build careers.

NOTICE INVITING BIDS
For Project M-1-149, Landscaping Improvements adjoining the City of Upland Library Building located at the northeast corner of Euclid Avenue and "D" Street.
NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the Purchasing Agent of the City of Upland, California, up to 2:00 P.M. on November 13, 1968, at which time they will be taken to the Council Chambers and publicly opened by the City Manager for Project M-1-149, Landscaping Improvements adjoining the City of Upland Library Building located at the northeast corner of Euclid Avenue and "D" Street, in accordance with the Plan, Specifications, Standards and other Contract Documents on file in the office of the City Engineer of said City, to which Plan, Specifications, Standards and other Contract Documents are referred to for further information.

Plans and Contract Documents may be obtained at the office of the Purchasing Agent, at the City Hall, 177 "D" Street, Upland, California, upon payment of One Dollar (\$1.00) for each set, which amount will not be refundable.

Each proposal must be accompanied by cash, certified check, cashier's check, or surety bid bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained by and set forth in Resolution No. 2073 adopted by the Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words, "Bid - Project M-1-149, Landscaping Improvements" plainly marked on the outside of the envelope. The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter. Work of construction shall begin within 10 days after the signing of the contract and shall be completed within 30 calendar days after the date of the contract. Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland, California. home
Color It Beautiful
Grandma used to say that beauty begins on the inside, but for modern homeowners, it begins on the outside with a beautifully painted exterior that cordially welcomes guests and effectively protects your investment. Bring out your home's true personality with paint colors that match its architectural style and location. If it's a frame colonial, for example, try Acme Quality House Paint (New Era) in Colonial Cream or Ivory Tone. This oil-base paint will keep its fresh look for years to come. You can really make your home a part of nature with the new soft, earthen colors like Harvest Yellow, Almond Beige, Yellow Maple, Adobe, or Tumbleweed. These popular shades are also available in Acme Quality Latex House Paint. "Tailor made" for masonry homes, this latex paint is also readily applied to clapboard, wood shakes, stucco, concrete, brick and asbestos siding. It dries in just 30 minutes. Highlight your home's individuality by painting special features like dormer windows or shutters to contrast with the roof and siding. Painting your home this season? Color It Beautiful! (NP Features)
One megaton is the equivalent of about a million tons of TNT. The United States has stockpiled weapons totaling some 20,000 megatons in strength.
Georgia was the fifth southern state to secede from the Union on Jan. 19, 1861, and was formally readmitted to the Union by an act of Congress on July 15, 1870.

ORDINANCE NO. 844

OF THE CITY OF UPLAND AMENDING CHAPTER 6 OF ARTICLE V OF THE UPLAND MUNICIPAL CODE BY DELEGATING AUTHORITY FOR ADMINISTRATIVE APPROVAL OF USE OF A TRAILER COACH AS AN OFFICE FOR A PERIOD UP TO 100 DAYS PRIOR TO RELATED BUILDING CONSTRUCTION.

The Council of the City of Upland does hereby ordain as follows:

Section 1.
Section 5670.9 of Chapter 6, Article V of the Upland Municipal Code is hereby amended by deletion of the first paragraph thereof and substitution of the following first paragraph:

"Sec. 5670.9 - Temporary Use of a Trailer or Trailer Coach as Business Office
A permit may be issued for temporary use of a trailer or trailer coach as a business office during the period of active building construction of a related permanent facility subject to the following six conditions. Further, upon Administrative approval by the City, a trailer or trailer coach may be used as an office for 100 days prior to the commencement of active building construction."

Section 2. The Mayor shall sign this Ordinance and the City Clerk shall attest to the same and the City Clerk shall cause the same to be published within fifteen (15) days after its passage, at least once in the Upland News, a newspaper of general circulation, in the City of Upland.
/s/ George M. Gibson
MAYOR OF THE CITY OF UPLAND

ATTEST:
/s/ Doreen K. Carpenter
CITY CLERK OF THE CITY OF UPLAND

STATE OF CALIFORNIA)
County of San Bernardino)
CITY OF UPLAND)
I, Doreen K. Carpenter, City Clerk in and for the City of Upland do hereby certify that the foregoing Ordinance No. 844 was introduced at a regular meeting of the City Council of the City of Upland on the 7th day of October, 1968, and passed thereafter on the 21st day of October, 1968, by the following vote to-wit:

AYES: Gibson, Hawkins, Ros-sitter, Stone
NOES: None
ABSENT: Christensen

/s/ Doreen K. Carpenter
CITY CLERK OF THE CITY OF UPLAND

APPROVED AS TO FORM:
DONALD E. MARONEY,
CITY ATTORNEY
DATE Oct 2, 1968

Publish: October 30, 1968

NOTICE OF HEARING ON PROPOSED CHANGE OF ZONE

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Bernardino, State of California, will hold a public hearing on the petition of Dr. Edwin H. Ford, requesting that a portion of the unincorporated area of said County, hereinafter described, be rezoned from its present status of Zone MR (Restricted Manufacturing) to Zone A-1 (Limited Agricultural District), as said zones are described in County Ordinance 678, and/or such other zone classifications as the Board of Supervisors deems appropriate after public hearing. Said proposed rezoning has been recommended to said Board of Supervisors by the Planning Commission of said County.

Said hearing will be held on TUESDAY, NOVEMBER 12, 1968, at 3:00 P.M. by said Board of Supervisors at its regular meeting place in the Court House, Fifth Floor, San Bernardino, California, when

and where all interested persons may appear and be heard. Said proceedings are being conducted in accordance with County Ordinance No. 678, as amended.

The unincorporated area hereinafter referred to and affected by said proceedings is located in the Alta Loma area and is described as portion of Lot 5, Blk. 4, Cucamonga Homestead Assn. Lands, between Ramona and Hermosa Aves., approximately 1000' north of Base Line.

Detailed maps showing the proposed zoning are on file in the offices of the Clerk of the Board of Supervisors (175 W. Fifth St.) and the County Planning Commission (316 Mt. View Avenue), San Bernardino, California.

V. DENNIS WARDLE,
County Clerk and ex-officio Clerk of the Board of Supervisors of San Bernardino County

NOTICE INVITING BIDS

For City of Upland Gas Tax Project No. 139, the improvement of Mountain Avenue from 250 feet south of Seventh Street to 140 feet south of Foothill Boulevard, including: the installation of Traffic Signals and Safety Lighting at the intersections of Mountain Avenue with Seventh Street, Ninth Street and Arrow Highway; the construction of P.C.C. curb, gutter, curb and gutter and asphalt concrete paving in connection with widening of the roadways at the intersections of Mountain Avenue with Seventh Street, Ninth Street, Arrow Highway and Eleventh Street; resurfacing, with an asphalt concrete overlay paving, of Mountain Avenue for the entire length of the project; the construction and installation of drainage structures and culverts at the intersection of Mountain Avenue and Arrow Highway; the installation of street name signs; the installation of an automatic irrigation system and landscape treatment for traffic islands on Mountain Avenue approaching Seventh Street; and appurtenant work.

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the Purchasing Agent of the City of Upland, California, up to 2:00 P.M. on November 13, 1968, at which time they will be taken to the Council Chambers and publicly opened by the City Manager, for Gas Tax Project No. 139, the improvement of Mountain Avenue from 250 feet south of Seventh Street to 140 feet south of Foothill Boulevard, in accordance with Construction Plans, Specifications, Standards, and other Contract Documents on file in the office of the City Engineer of said City, to which Plans, Specifications, Standards and Documents bidders are referred to for further information.

Plans and Contract Documents may be obtained at the office of the Purchasing Agent, at the City Hall, 177 "D" Street, Upland, California, upon payment of Five Dollars (\$5.00) for each set, which amount will not be refundable. Standard Specifications for Public Works Improvements books may be purchased at the office of the City Engineer at a charge of Four Dollars and Twenty-five Cents (\$4.25) for each book.

Each proposal must be accompanied by cash, certified check, cashier's check, or surety bid bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman contemplated under the Agreement, as ascertained by and set forth in Resolution No. 2073 adopted by the Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words, "Bid - Gas Tax Project No. 139" plainly marked on the outside of the envelope. The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter. Work of construction shall begin within 10 days after the signing of the contract and shall be completed within 120 calendar days after the date of the contract. Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of

the City of Upland. Proposal blanks and copies of the Plans and Specifications may also be obtained from the Purchasing Agent.

By order of the Council of the City of Upland, California.

Wrote Epitaph

Henry (Light - Horse Harry) Lee was the author of the famous epitaph of George Washington: "First in war, first in peace, first in the hearts of his countrymen." He used this phrase in an oration which he delivered to Congress after Washington's death.

ITEM: The letter "R" in a circle after the name of a fiber on a label means that the name of the fiber is registered at the U. S. Patent Office in Washington, D. C. This trademark name offers you the assurance that the fiber producer has controlled the quality of his product.

Jerry's Journal

By Jerry Pettis
Congressman, 33rd Dist.

WASHINGTON, D.C. -- Responsible Americans in San Bernardino County are no different than the millions of others across the nation. We want the very best possible future for ourselves and our children.

But that future - and the right to remain free and share in America's promise of equality and opportunity - is threatened today by lawlessness, so rampant, it has the nerve to challenge our constitutional form of government.

We have to face reality, no matter how shocking it may be, if America's dream of the future is to reach fulfillment. FBI Director J. Edgar Hoover has warned the nation that crime is threatening our very way of life. We have reached the point where the chance of you, or me, or our children becoming tragic victims of a serious crime has risen more than 70%.

We already have the necessary laws and constitutional police powers to curb crime - even to stamp it out. "But what can be done?" you ask. There are programs that I have urged before Congress and will continue to work for.

They include a dramatic increase in the number and pay of law enforcement personnel, a doubling, if necessary, of court and prosecution personnel.

I pledge to you that I will continue doing everything in my power to clear the streets of our cities of prowlers and marauders and restore freedom from fear to our Nation.

BARSTOW - Give Congress "constructive guidelines" and it "can enact laws that will provide all of you miners with the confidence to meet the challenge of the future," the 1958 Western States Mining Seminar held here recently was told by Pettis.

Pettis criticized the federal government's gold pricing policy, the "mismanagement" of the stockpiling program, crash programs for mineral production and then their quick termination, and land withdrawal policies.

Also speaking were Rep. Sam Steiger, R-Arizona, Rep. Laurence J. Burton, R-Utah, Dale R. Andrus of the Bureau of Land Management and Mrs. Nancy Smith, a member of the San Bernardino County Board of Supervisors serving on mission, who stated that the commission's reports on 34 studies it is conducting will be published in 1970.

Too often government programs that are ineffective and inefficient receive more attention than those that truly work and will benefit our people for years ahead.

One such example is the Headstart program which has aided more than 20 million children since it was established by Congress in 1965.

In addition to helping better the lot of youngsters from disadvantaged homes educationally, the operation has provided a significant medical benefit.

As a result of voluntary efforts of ophthalmologists and pediatricians, 98,000 children with eye defects were treated; 740,000 with vaccinated for polio and a million children received shots for measles. Yet, despite these efforts, it is estimated that 2.5 million children who could have benefited from the program have been unable to participate.

Another dividend of the program is the increase in the number of professionals who have been trained to work with disadvantaged children numbering nearly 97,000 men and women.

Franklin D. Roosevelt won the greatest number of electoral votes of any President since Washington, who was unanimously elected, with 523 in 1936. But James Monroe beat FDR's percentage. Monroe received all but one of the electoral votes in his second term.

Proposition #9 To Be Debated By SBFT

Proposition 9, popularly known as the Watson Amendment, will be the subject of a combined public debate and open forum.

Wednesday, October 23, the San Bernardino Federation of Teachers will sponsor a debate on this controversial subject at Pacific high school in San Bernardino.

The moderator of the debate, to begin at 7:30 p.m., will be Judge John Lawrence. Speakers representing the PRO side will be a representative of assessor Phillip Watson's office and Mr. Gus Sintetos, who is affiliated with the San Bernardino Board of Realtors.

The CON viewpoint will be taken by Mr. Roger Kehew, Deputy County Board of Supervisors.

Representing the same position will be Dr. Philip Allred, Assistant Superintendent of the San Bernardino City School District.

Each speaker will be permitted ten minutes for his presentation, with a total of 15 minutes for rebuttal. The audience will then have the opportunity to freely question each speaker.

Mr. Ralph Carter, President of the sponsoring teachers union, stated, "Our state organization opposes Proposition 9; however, our AFT Local 832 has not to date adopted a position. It was partly because of division and lack of adequate information in our own ranks that we decided a forum was necessary. It is our hope that all teachers, but particularly the public at large, will avail themselves of the opportunity to hear these fine speakers, question them, and then make up their own minds."

Jack Smith Takes Over New Kaiser Position

J.H. (Jack) Smith has been appointed director of the newly formed Air and Water Control Department at Kaiser Steel Corporation's Fontana Plant. It was announced by John D. Saussaman, vice president - Operations.

Smith, who will report directly to Saussaman, was formerly director of Air Control & Research in the Services Division.

He joined Kaiser Steel in 1949 in the production assistant training program and then was appointed head of the fume investigation division of the Metallurgical Department. He was director of Air Control & Research since 1956.

A native of El Paso, Texas, Smith was educated in San Diego, California. He attended the University of Illinois where he received a B. S. degree in engineering and industrial administration and an M. A. degree in labor and industrial relations.

Smith is a member of the International Air Pollution Control Association's TR-2 air pollution measurements committee, TA-5 dust, fume, mists and fog collectors committee, TI-6 steel committee and intersociety committee.

He is also a member of Association of Iron and Steel Engineers, air and water resources committee of California manufacturers Association, California Water Pollution Control Association, American Iron and Steel Institute's subcommittee on air and water pollution, and industry liaison committee to the Department of Health, Education and Welfare.

Smith resides with his wife Betty in Upland where he is a member of the Chamber of Commerce. The Smiths are parents of three children.

TB Control Methods Dramatic Change

Modern TB control methods in the U.S. have dramatically decreased the rate at which the disease attacks young children. Once they were among its most frequent victims. Today the case rate in the five-to-fourteen-year age group is the nation's lowest.

To keep it that way, doctors advise a course which, if followed, is bound to hold the TB rate in children on a pleasantly downward curve.

To begin with, a tuberculin test for tuberculosis is recommended for every infant before reaching the age of one. If the test is positive, a chest X-ray and laboratory tests should also be done to determine how far the infection has progressed. The doctor can then prescribe the drug treatment which will stop the infection and the disease.

If the tuberculin test is negative, it should be repeated at every annual medical checkup as a matter of routine.

Children usually acquire TB infection from adults; therefore immediate tuberculin testing of the parents and other

adult associates, as well as other children in the family, is recommended wherever a child has reacted positively to a tuberculin test. If the test is positive, a chest X-ray, and laboratory tests should follow immediately.

All persons who regularly come in close contact with children, such as school personnel, baby sitters and child nurses, should be examined for tuberculosis annually. As a recent report of the National Tuberculosis and Respiratory Disease As-

sociation pointed out, "If the cycle of transmission from older generations to newer could be ended, the problem of tuberculosis control would in large measure be solved." That is one of the chief goals of your Christmas Seal association.

Only three Presidents have come directly from Congress. They were James A. Garfield and Warren G. Harding, both senators from Ohio, and John F. Kennedy, senator from Massachusetts.

Medal Of Merit Recognized By Boy Scouts

One of the most honored lifesaving awards a Boy Scout can receive has recently been awarded to thirteen year old Donald Milne, Jr., of Upland, by the National Court of Honor of the Boy Scouts of America. Donald, a First Class Scout, put his Scout training into action last January 26th when he saved the life of his nine year old neighbor, Donald McComb. The McComb boy had stopped breathing when Donald administered mouth-to-mouth resuscitation. This quick action started young McComb breathing again and undoubtedly saved his life, according to doctors who later attended the boy.

Milne learned the technique of mouth-to-mouth resuscitation from the training he had received as a member of Troop 623, sponsored by the Grace Lutheran Church of Upland.

Donald was recognized by the Executive Board of the Old Baldy Council, Boy Scouts of America, at their recent Board meeting on October 17th.

He will be presented the Medal of Merit in formal ceremonies to be held at the Troop's November Court of Honor. Mr. Robert Berryman, Chairman of the Council's Advancement Committee which recommended Donald for the award, will make the presentation.

Photo Show Has Three Divisions

SAN BERNARDINO -- Amateur photographers from throughout the Southland will compete for \$350 in cash prizes during the 54th National Orange Show in San Bernardino next March 6-16.

The event is the 11th annual photo competition. In addition to the cash, 23 trophy awards will be made, plus 240 other prizes.

Main rule for the competitors specifies that all pictures must be taken within the confines of the National Orange Show during the 11-day 1969 run, March 6 through 16. The three divisions are black and white snapshots, any size; 35mm color slides; and stereo color slides.

Classifications in black and white and stereo color slides include citrus features, flower, hobby and commercial and industrial exhibits; general; midway and kiddieland; professional and amateur entertainment; human interest; queen and her court.

In the 35mm color slide division the classes include flower exhibits building; Hobby Show exhibits; citrus feature exhibits and commercial and industrial exhibits; general; midway and kiddieland; professional and amateur entertainment; human interest and the queen and her court.

Closing dates for entries will be April 9, 1969.

Charles R. Osborn, chairman of the event, emphasized that all winning entries become the property of the National Orange Show and may be used for promotional purposes. Non-winning entries will be returned only if they are accompanied by self-addressed, stamped envelopes.

The world's highest vehicular tunnel is being blasted through the Continental Divide at an altitude of 11,112 feet 65 miles west of Denver, the National Geographic reports. The 9,000-foot-long tube, part of Interstate 70, will obviate a drive over Loveland Pass.

Quevedo Named Head Of Amigos For Rafferty

Thomas C. Reed, State Campaign Director of the Rafferty for U.S. Senate Committee, has announced the appointment of Manuel Quevedo as Southern California Chairman of Amigos for Rafferty. Quevedo, who has been active in Republican affairs, is a community relations officer with the San Bernardino Police Department and was formerly head of the department's juvenile division.

Included among his duties is the responsibility of coordinating activities and support for Max Rafferty's Senate campaign among Mexican-Americans during the final weeks prior to the election.

Quevedo, who served as Mexican-American Chairman in San Bernardino County for Ronald Reagan in 1966, stated "Dr. Rafferty's support among Mexican-Americans is increasing substantially as he continues to speak out on the issues."

Only three Vice-Presidents have ever been elected to the highest office in the land without first serving out the term of a President who died in office. They were Martin Van Buren, elected in 1836; John Adams, elected in 1796; and Thomas Jefferson, elected in 1800.

Keep our Services in sight!

An economical and wise way of handling your finances is to concentrate all of them at one banking center. Plan to do your saving and your check writing with one "full service" bank including your borrowing. Focus your financial business on a bank that does just a little more!

Christensen Critical Of College Atmosphere

"Education: Key to the Future" is the 2nd in a series of five position papers on the key issues of the day to be submitted to the press by 72nd Assembly Candidate, Jim Christensen.

This position paper on education presents a fiscally sound resolution to the skyrocketing costs of higher education. Christensen calls for the implementation of a reasonable tuition, low interest loans payable after graduation, and full tax credits for the parents who pay the tuition.

Christensen also delves into the problem of campus riots and demonstrations. He calls for expulsion of all students convicted of rioting and the firing of faculty members who fan the flames of these riots. In short, Christensen says law and order must be restored on our

college campuses if those who genuinely want an education are to be able to obtain one.

EDUCATION:

KEY TO THE FUTURE

Every young Californian must be given the opportunity to receive a college education. Rising costs prevent this goal from becoming a reality. It is time for a bold new approach and solutions based on reality. The key to our future resides in the education of our youth.

The solution resides in a three-step program. Charge a reasonable tuition at our state colleges and universities. Grant low interest loans to qualified students whose families cannot afford the costs of a college education for their children. Payment would be deferred until the student graduates and becomes a wage earner. Full tax credits should be granted

to all parents who are paying college tuitions at either state colleges and universities or private institutions.

Despite cries of doom and political resistance to change, coming from college administrators and faculties who know better, this new approach to school finance would guarantee a college education to all regardless of income level. After all, why should low and middle income families in San Bernardino County be forced to subsidize families in Beverly Hills who are sending their children to tax-supported colleges?

Another problem in education is being caused by a relatively small, but noisy band of misfits and hippies who have descended upon our college campuses. Buildings are burned, administrators

are being held hostage, classes are disrupted, and public facilities are used as platforms to call for the over-throw of our whole system of government. While chanting slogans of freedom of speech and democracy, they march to the tune of anarchy. Professors, protected from dismissal by tenure and paid by the taxpayers, encourage and join in the insurrections. Weak-kneed administrators do nothing, hiding behind the "apron-strings" of academic freedom.

The time has come for swift action. Students who are convicted of crimes during these demonstrations must be expelled permanently. Professors who fan the flames of these riots must be fired. It is time to enforce the law and restore sanity to our college campuses.

Local Artists To Display Paintings

Associated Artists of the San Gabriel Valley will display paintings done by their members on the mall at Pomona Valley Shopping Center on Friday, November 1 from 10 a.m. to 8 p.m. and Saturday, November 2 from 10 a.m. to 5 p.m.

Prizes will be given by the Merchants' Association of the center for paintings receiving the greatest number of votes. The public will be asked to do the judging.

Shoppers may watch the artists at work as several members of the Association demonstrate.

Paintings done by DeLoris Anderson, Helen Robinson, Elizabeth Wasman and Irene Maher have been donated and will be given away at the close of the show on Saturday.

K Of C Plan Barbecue

The Trinity council #4623 of the Knights of Columbus will hold a Barbecue dinner at Our Lady of Guadalupe Hall, 3rd and D streets, Chino, from 4 to 8:30 p.m., Nov. 2.

The menu offered is a barbecue beef, potato, vegetable and dessert. Free prizes will be given including a television, gasoline, motor oil, and toys.

Winners need not be present. Cost of the affair is \$1.75 for adults, \$1 for children, and \$6 per family.

Tickets may be obtained by calling John Lawrence at 628-2757 or Allan Green at 599-4636 or paid for at the door.

The next time you have grapefruit, wash off the seeds and plant them in shallow bowls for some household greenery.

Cancer Society Offers Yuletide Greeting Cards

SAN BERNARDINO - This year, Christmas cards can mean more than just a thoughtful way of remembering friends during the holiday season, says the American Cancer Society.

Yuletide greeting cards available now from the ACS San Bernardino County Branch will also bring cheer and comfort to the hundreds of cancer patients in San Bernardino County.

Proceeds from the cards will be used in the Society's three-fold fight against cancer, through

research, education and service.

The five-by-seven inch card depicts in soft pastels an appealing child in prayer. The cards are bordered in gold and are available with matching envelopes. Name imprints are also offered at a small additional charge.

Cards are available in any amount and may be ordered through a tax-deductible donation to the American Cancer Society, or by calling the Ontario, ACS office at 1010 W. 4th street.

WOMEN VERSUS MEN
 A woman's tear ducts are twice as active as a man's, scientists report—and females may suffer from headaches nine times as often as males. The most common type of female headache is the tension or muscle-contraction headache, according to the makers of Cope, a headache remedy made especially for women.

PAID FOR BY CITIZENS TO RE-ELECT GLEN LIPSCOMB

Lutherans Observe Anniversary With Festival Service, Nov. 3

Lutherans of the Missouri Synod will observe the 451st anniversary of the Reformation with a festival service Sunday, Nov. 3, at 7 p.m., at Redeemer Lutheran Church, Ontario.

The main speaker will be the Rev. Elmer W. Matthias, pastor of Zion Lutheran Church, Anaheim, since 1956, and third vice president of the Southern California District of the Lutheran church-Missouri Synod. The theme of his address will be "Reformation Through Freedom," His

text will be II Corinthians 3:17. Children will be addressed by the Rev. Donald Poganski, pastor of Trinity Lutheran Church, Montclair. His talk will be "How To Be Right With God".

The liturgist will be the Rev. James Luecke, pastor of Redeemer Lutheran Church, Ontario, and the lectionist will be the Rev. Richard Scheu, pastor of Immanuel Lutheran Church, Chino.

An adult choir, under the direction of Marvin

Schaus, teacher at St. Paul's Lutheran School, Pomona, will sing "Lord, Keep Us Steadfast in Thy Word" and "A Mighty Fortress Is Our God". The organist will be Mrs. Walter Hutter of Ontario.

The church is at 920 W. 6th st., two blocks east of Mountain avenue and just south of the San Bernardino Freeway, in Ontario.

The sponsoring congregations are King of Glory, Alta Loma; Immanuel, Chino; St. Luke Claremont; Mt. Calvary, Diamond Bar; Trinity,

Montclair; Redeemer, Ontario; Peace, Pomona; St. Paul, Pomona, and Christ the King, Walnut. The steering committee for the festival service is composed of John Bell, Richard Strayer and the Rev. Arthur F. Graudin.

Grate Rind Gently

When grating an orange rind, use a light hand, and move the orange over the grater lightly so that you do not take off any of the white membrane under the skin. A medium-size orange should yield about a tablespoon of grated rind.

--Warning Skunks Often Carry Rabies

Skunks often carry rabies and therefore make dangerous pets, County Health Officer Dr. Gerald A. Heidebreder, warned today. He said so far this year, 22 rabid skunks have been reported in Los Angeles County.

Since youngsters may die, even after receiving the painful rabies vaccine, the California State Department of Public Health has established a quarantine making it

illegal to have skunks as pets.

Under the quarantine, it is against the law to trap or capture skunks as pets; trap, capture or hold skunks in captivity for sale, barter, exchange, or gift; or to transport skunks from or into California.

The importation of skunks into California or the exportation of these animals from the State is prohibited except by permit to recognized zoological gardens or research institutions.

"Parents should watch their children closely to make sure no skunks are picked up in mountainous or foothill areas where these animals usually live," the County Health Officer said. "The rabies incubation period in skunks has been known to last for at least six months, and the time limit for this disease may even be longer."

NEVER "FIGHT" those other drivers. *****

Head For The Hills To See Fall Colors

If you are enthusiastic about "fall colors," or a camera bug who thrives on the outdoor wonders, there will be numerous opportunities for you to see nature's preparation for winter according to the U.S. Forest Service.

The eighteen National Forests in California, which nearly extend from the Oregon border to Mexico, offer you an opportunity to see some of California's vivid autumn colors. Forest Service Rangers report that chokecherry, aspen,

oaks, cottonwood, vine-maple, and bigleaf maple are but a few of the species that produce nature's autumn spectacle. At higher elevations, these broadleaf plants produce fall colors early, while the lower foothills have their fall colors in middle to late October. So keep this in mind if you are planning a trip to see this autumn splendor.

Many people believe that "Jack Frost" is solely responsible for the change in color of leaves

in the autumn. But he is not. Some of the leaves begin to turn color before we have any frost. During the spring and summer, leaves serve as "factories" where food - necessary for the tree's growth - is manufactured. As the month of October approaches, the days become shorter and the trees prepare for winter. This is called "dormancy." The shorter days and cooler evenings set in motion chemical changes in the leaf cells,

and pigments appear in the leaf with an array of yellow, gold, brown, and orange. Toward the end of October, the majority of the trees have lost their leaves and are now ready for winter.

For your local area the following are different National Forests where fall colors can be seen. Interested sightseers can contact their local National Forest office.

Cleveland N.F.: Sunrise Highway County Road; black oak, Palomar

Mountain area; bigleaf maple in shaded canyons.

Angeles N.F.: Angeles Crest Highway #2 in the vicinity of Big Pines and Wrightwood; black oak in groupings.

San Bernardino N.F.: Highway 18, Rim of the World Highway; black oak, dogwood. Also Idyllwild area, San Jacinto Mountains.

There are more than 300 Indian reservations in the United States.

BA Shareholders Receive Early Holiday Present

SAN FRANCISCO-Bank of America presented its almost 200,000 shareholders with an early Christmas gift in the form of a 20 per cent stock dividend on Oct. 15.

The action was taken by the bank's board of directors, which also declared the regular quarterly dividend of 55 cents a share.

The stock dividend payment will be made on December 23 to shareholders of record December 2. Cash payments will

also be made to shareholders in lieu of fractional shares.

The regular quarterly dividend, which is at the annual rate of \$2.20 per share, is payable November 29 to shareholders of record November 1.

The increase in capital stock necessary to implement payment of the stock dividend will be presented to bank shareholders for approval at a special meeting set for December 17.

PRODUCE... WITH "FRESHNESS YOU CAN TASTE"

Trick And Treaters Can Be Injured On Their Rounds

Nearly 50 million youngsters will be out trick or treating this Halloween. It will be fun for most but, unfortunately, a few will be involved in accidents and may be seriously injured or even killed.

Parents must make an effort to reduce the hazards their children will face this night, warns Agnes Beaton, women's safety activities director of the Allstate Insurance Companies.

"Your child's costume can be a source of trouble itself. It should not be so long that it will trip the child nor so loose that it might catch on

fences or bushes. Boys should not wear heavy boots nor girls high heels. Sharp objects like make-believe swords should be avoided.

"Fire is a serious threat on Halloween," Mrs. Beaton continued. "Bad burns may be avoided by dipping costumes and wigs in a fire retardant solution purchased at your retail store or made at home with nine ounces of borax, four ounces of boric acid and one gallon of hot water. Also light that indoor jack-o'-lantern with a flashlight instead of a candle."

She pointed out that too

often children's costumes are made of dark colored material which increases their chances of not being seen by drivers as they cross streets at night. "Parents can help to correct this by making or purchasing light colored costumes."

Masks restrict vision, so if one is worn, the child should be instructed to remove it when crossing streets. Children should also be reminded to cross only at intersections or pedestrian crossings. They also should be told to travel in groups and stay away from unfamiliar areas.

"Drivers should take

extra caution on Halloween by driving no faster than 20 miles per hour in residential areas," Mrs. Beaton urged.

Finally, she urges homeowners to make their yards safe for roaming trick or treaters by tying strips of white rag on guards around newly planted trees. Also store hazards like trash cans, lawn mowers, and bicycles that could encourage vandals. It's also wise to leave plenty of outside lights burning.

Mrs. Beaton expressed the hope that news media, police and civic groups will accept and use these suggestions in their promotion of Halloween activities so that it will be \$411.2 million reported for the same period last year.

Foot 'N' Fiddle Harvest Dance

Foot 'N' Fiddle is having a "Harvest Hootenanny". All square dancers are invited to come and whoop it up with Foot 'N' Fiddle, Saturday Nov. 2. Kenny McNabb will call the tips from 8 to 11:30 at the American Legion Hall, 1550 Bonita, in LaVerne.

Fall checks in this year with a lovely range of gently tailored tweeds which have a definite come heathery look about them. If you've a natural flair for fashion, go along with the experts and put checks at the top of your list right now. A good example of the going thing is this dashing costume designed by Mario Forte for Handmacher Vogel. The side-buttoned coat is wrap-styled and gently belted. Underneath it snugs a matching checked skirt plus ribbed-knit sweater to add a last, coordinated touch. To achieve the elegantly flared coat silhouette Forte has chosen a woven houndstooth check bonded to COIN interlining for warmth and stability. For additional body and shape retention the matching skirt is bonded to COIN tricot. This COIN bonding process is a method that simply joins two fabrics together permanently, to provide a built-in-lining while adding body to the fabric. Dry cleaners also appreciate the trouble free advantages of COIN-bonded fabrics; they know they hold their shape through repeated cleaning and pressing. So girls, be sure to check for the COIN hangtag when you're choosing your wardrobe this fall. It's your assurance of wearability in clothes that are making the fashion news!

For Tourists
The Mexican government, in an effort to provide more accommodations for highway travelers, is encouraging homeowners along its major highways to fix up rooms for overnight guests. The government will lend up to \$8000 for remodeling, after which the owner will be permitted to charge up to \$6 a night for a room with bath and breakfast.

Gardener's Checklist

The California gardener is used to enjoying beauty throughout the four seasons. And, in the Golden State with its unequalled climate, fall is no exception. There are many shrubs that put on a seasonal show and enhance the landscape in a lovely manner.

The following three are especially recommended by the California Association of Nurserymen: Oregon Grape, Heavenly Bamboo, and Chinese Photinia.

Even in Southern California, the Oregon Grape (Nahonia) colors - up nicely. It is a year-round performer with glossy, holly-like leaves; bright yellow flowers in early spring followed by blue berries in summer - and rich red foliage tones in fall. There is a compact variety as well and both are excellent shrubs for landscaping the garden. Try inter-planting with Darwin Barberry, which has similar holly-like leaves. Its already plum colored foliage does some additional coloring of its own in fall.

Heavenly Bamboo has coppery tones to its foliage the year round, but in fall these give way to brilliant displays of red which combine, as the plant matures, with red berries to create one of autumn's most vivid shows. Heavenly Bamboo (Nandina) has many uses in the landscape. Its feathery foliage lends itself to most any surroundings.

Chinese Photinia is a well-known all year performer, breaking in late spring with large clusters of white flowers that give way to bright red berries in the fall. New growth in spring is a spectacular coppery or red and the whole shrub becomes a bronzed mass of beauty in fall.

Your C.A.N. nurseryman undoubtedly has other Photinias to show you, each of which also provides a seasonal show with its larger leaved foliage. Photinias are versatile in the landscape. They may be used as large foundation plants or as a focal point in the garden, or maintained as an informal screen of privacy. Prune to suit your taste, or to keep the shrubs compact, but prune also when you need nice berry colors indoors. After all, there is plenty to spare.

Utility Charges In California Among Lowest

LOS ANGELES - The rates and charges Californians pay for gas, electric and telephone service are still among the lowest in the nation, as measured by the rates in the 25 largest cities in the United States, President William Symons, Jr., of the California Public Utilities Commission, said.

An annual survey includes charges for specific amounts of service, so that climatic conditions affecting total charges are eliminated. Rates in the survey are those currently in effect.

For 70 therms of gas, 250 kilowatt hours of electric energy and individual line residential telephone service, San Francisco customers pay a combined monthly charge of \$15.35, which is the lowest in any of the 25 cities in the survey.

Los Angeles customers pay a \$16.18 combined bill per month, which is second lowest, and San Diego's combined charges total \$19.41, tenth lowest. The Los Angeles combined charges are a few cents lower than they were a year ago.

By comparison, charges in other U.S. cities range as high as \$30.58 per month for exactly the same amounts of service, with only 12 of the 25 cities paying less than \$20 per month.

Redwood Parks California has 28 State redwood parks with a total combined area of 107,000 acres. More than half of this acreage supports old-growth redwoods.

Cong. Lipscomb Critical Road Cutback Plans

Congressman Glen Lipscomb (24th District) said that the halt on funding federal aid highway projects by the Administration is not responsive to the expenditure controls imposed by Congress, is contrary to a specific order of Congress, and is causing a serious disruption in the California highway program.

The Congressman made these charges in a talk to the Covina Chamber of Commerce Wednesday morning, October 16th at a breakfast sponsored by the Chamber. Congressman Lipscomb said: "The federal aid highway program is financed by a special trust fund derived from highway user taxes. Freezing highway program expenditures in my view is not responsive to the requirements included by Congress in the Revenue and Expenditure Act of 1968 that the Executive Branch reduce expenditures by \$6 billion this fiscal year. Further, more, in an effort to insure there would be no delay in the highway program, in the Highway Act of 1968 which was just signed into law by the President August 23rd, Congress specifically prohibited a freeze on highway aid funds. This provision has been completely ignored."

The Administration in its order provides that no federal aid projects for highway construction or rights-of-way acquisition will be approved until approximately December 1, 1968.

The Congressman said: "The halt in highway financing will cause a serious disruption of California highway programs. It will work hardships on many communities, on construction workers and firms. Land costs and costs for construction tend to increase so several months delay could result in increased overall costs. It is important that this order be rescinded and I have strongly urged the President to do so."

Pomona First Federal Assets Increase 6%

Assets of Pomona First Federal Savings and Loan Association increased more than 6 per cent over those of a year ago, according to the third quarterly report of the association.

Total assets as of September 30 were \$182,168,031, compared with \$170,408,676 at the same time last year, Paul D. Walker, president of the association, reports.

He said the association paid out \$1,948,418 in dividends for the third quarter to 48,913 account holders. Net income increased from \$204,733 to \$359,786 during corresponding periods. Total earnings for the first three quarters of 1968 amounted to \$828,392, compared with \$449,993 for the same period in 1967.

Savings deposits also were ahead, with \$3,374,214 placed with the association during the third quarter, compared with \$3,082,672 deposited during the same quarter a year ago. The trend continued this month; \$1,151,675 was received during the 10-day reinvestment period, nearly \$500,000 more than through Oct. 10, 1967.

Walker said his organization is still the leading lender on homes in the Pomona Valley, and with the continued increase in savings deposits, that situation is expected to continue.

He said that during the first nine months the association made 304 construction loans amounting to \$5,355,125, compared to 271 loans for \$5,123,215 last year.

Walker said the money market has loosened up slightly and some funds are now available to finance improvement to prime quality real estate.

B of A Believes We Could Wind Up With Nixon And Muskie In Top Positions

Despite some pessimistic reports on 1969 business activity, "the fundamental underlying strength" of the American economy should not be overlooked, Bank of America said.

"Possibly of greater concern than the expected business slowdown would be a too vigorous expansionary reaction by fiscal and monetary authorities fearing a more severe economic adjustment than is actually in prospect. A shift towards substantial ease could easily set the economy on an excessively strong and, again, unsustainable, course," economists of the world's largest bank warned.

"The crucial test of 1969 will be whether the selection of a set of economic policies can be made to keep the economy on a high employment growth path with reasonable price stability.

"A mild slowdown in the pace of economic activity in 1969 will be the first step to subdue the inflation that has developed in the period of doubt and debates over fiscal restraint.

"The second step will be improved forecasting techniques and increased flexibility in the implementation of stabilization policies. In this way a foundation for continued solid growth in future years can be laid."

In a special report entitled "Focus in 1969: The U.S. Economy," Bank of America predicts that profit margins will come under increasing pressures due to higher costs and a slower rise in business sales.

While a less aggressive policy will seem natural and prudent to some managements, the bank advises against over-reacting to short-term reverses -- "Business financing plans should be kept flexible to take advantage of favorable market conditions."

Meanwhile, the family budget will face higher Social Security taxes and increased tax payments.

Thus, consumer spending gains in 1969 will be heavily weighted towards necessary services and nondurable goods expenditures with less demand for high-priced durables.

A general decline in interest rates, however, may be reversed by mid-1969.

Bank of America economists attribute this to a latent demand for long-term funds which will become active as prospective borrowers find rates attractive.

"A buoyant housing market also will require heavier financing and reduced federal grants-in-aid will maintain the high level of state and local government borrowings for major expansion programs."

International monetary problems are not expected to be as disruptive in 1969 as in 1968 and U. S. labor market conditions should be more settled although the unravelling of the wage-price spiral will continue to mean wage gains in excess of productivity.

All things considered, Bank of America believes 1969 should be regarded as another record year, but marked as a period of mild adjustment from the unsustainable growth rate of the past 12 months.

The subdued economic setting keyed by higher taxes and slower growth of federal government expenditures will provide the basis for a much-needed slowdown in the inflationary pressures which have been developing over the past several years, the bank concludes.

Copies of the Focus report are available at any Bank of America branch.

Good to Last Drop

There will be no waste and you can get the last drop of shortening out of the can by filling the can with boiling water. Set aside and allow to cool. When cool, lift the hardened cake of fat from the top and pour out the water.

LOS ANGELES -- GOP candidate Richard M. Nixon and Democratic hopeful Edmund D. Muskie conceivably could be the next U.S. President and Vice President, respectively, a University of Southern California political analyst said today.

Such a mixed-party executive arm could very well result if the election is thrown into Congress for want of an Electoral College majority, according to Dr. Totton J. Anderson, USC political science professor.

It would not be the first time in the nation's history that the President and Vice President were of different parties; In 1796, Federalist John Adams, President, served with Democrat-Republican, Thomas Jefferson, Vice President, when the offices were filled by the two candidates for President obtaining the highest popular vote.

Most important, in 1968 such an eventuality would be "extremely unfortunate." Such disunity at the top would stifle executive leadership in a critical period, Dr. Anderson declared in an interview.

"This points to the need for reform of the system of electing the President, and the need for radically changing or abolishing the Electoral College."

Another possibility if the election were thrown into Congress: The Vice President, who would be elected by the Senate, could possibly become acting President if the House of Representatives becomes deadlocked in a tie in voting for President, and if no decision is reached by Jan. 20, 1969.

If that were to occur, Sen. Muskie, now a Vice Presidential candidate, might become acting President, Anderson said.

Anderson noted that no third party has yet marshaled the Electoral College strength necessary to throw the election into Congress, but that it possibly could occur this year, with former Alabama Gov. George C. Wallace's drive for the Presidency reportedly gaining momentum.

The USC educator gave this hypothetical example: "Let us speculate that in the Electoral College vote, Wallace receives 35 votes, Nixon wins 269, one short of the 270 needed to win, and Humphrey gets 234. By Constitutional fiat, the election would go to Congress."

"The intriguing aspect

of the whole question of the House of Representatives electing the President in 1968 is that it is not the current membership which would do the selecting. The choosing would be done by the new membership, including new congressmen elected in November.

"A conservative prediction based on political circumstances prevailing now is that the Republicans may win between 31 and 35 seats, which would give that party control of the House. Since each state's single vote in the House is determined by a majority of the delegation, 26 of the 50 votes would determine the outcome.

"If the new seats were to be so distributed as to change the vote in particular delegations and if the representatives honored a commitment to their party's candidate, Nixon would emerge the victor.

"The Senate, however, where the Vice President would be chosen by a majority of Senators, is controlled by the Democrats now and current predictions indicate that although the Republicans may win as many as 10 new seats, the Democrats would still control the Senate.

"Thus, one of the interesting outcomes of Congressional elections of the two top executives under prevailing political conditions is the very real possibility of having a Republican House and President and a Democratic Senate and Vice President," Anderson said.

But the possibility of having a Nixon-Muskie or Nixon-LeMay combination is only one of many due to the structure of the electoral machinery and political conditions, Anderson declared.

"Speculation regarding the circumstances which would force a congressional election of the executives and how the individual Senators and Representatives would behave is a fascinating exercise in gamesmanship," the USC educator observed.

"A new pattern of commitments, other than those to party may emerge in the House if the election is thrown into Congress. Each Representative already has developed a series of personal and political commitments which have little to do with his party's candidate for President.

"This would be particularly true if his party

had experienced a bitter primary battle wherein his particular candidate had lost.

"Would basic party loyalty become the overriding motivation to vote the party candidate regardless of his particular preferences? Would he vote perhaps an economic commitment or a geographical one, such as Southern bloc, or for ideological issues such as with a States Rights faction, with which he had become identified?"

Such are the imponderables of Congressional election of the Executive branch, Anderson observed.

Another possibility is that third party candidate Wallace would be in a powerful bargaining position if he could deprive the other two candidates of a majority in the Electoral College.

"Taking the example of Wallace winning 35 electoral votes and Nixon 269, just one short of victory, Wallace might agree to drop out of the race and throw his votes to Nixon, on a number of specified conditions," Anderson continued.

"Wallace might, for example, demand slackening of the enforcement of civil rights statutes; reserve for himself a veto or 'advisement' role as it is referred to in the more polite nomenclature, over the appointments of Supreme Court Justices; gain for himself or others the right to fill one or more cabinet positions; demand specific control over federal patronage in designated areas; specify a course of action in Vietnam policy; or set priorities for the passage of domestic legislation.

"Those all are possible concessions that could be exacted by anyone in Wallace's position in behind-the-scenes bargaining.

"The net effect of such compromises would be that Nixon -- or Humphrey for that matter -- even though they won the Presidency, would not be altogether their own men. As President, they would have lost the power to initiate and conduct their own policies in one or more critical areas," Anderson declared.

The USC educator believes that, whether or not any of these eventualities come to pass, reform of Presidential and Vice Presidential election machinery is bound to be initiated in the near future, after the current election.

Gen. Le May's Name Not On Calif. Ballot

Presidential candidate George Wallace's running-mate on the California ballot in the November 5 election will be Marvin Griffin, county voters were reminded today by Registrar-Recorder Ray E. Lee.

Even though Wallace selected General Curtis LeMay recently as the American Independent Party's candidate for vice president, LeMay's name will not appear on any California ballot, he added. Lee made the reminder to voters as sample ballots were being mailed out this week to all county voters.

Only the name of Marvin Griffin has been certified by the office of Secretary of State Frank Jordan as the AIP party's candidate for vice president, Lee explained. All counties in California

have been notified of this from Jordan's office, Lee said.

"The name of Marvin Griffin appears on the ballot," Lee explained, "because the 40 electors of the American Independent Party recognized by the secretary of state's office have pledged themselves to Marvin Griffin."

Griffin's name was certified by Jordan's office, following an AIP state convention in California prior to Wallace's designation of LeMay, and by law, Griffin's name as well as those of the other parties are the only ones so designated by the secretary of state, he said.

The state law provides that each party must submit names of their respective candidates 60 days before the election, he pointed out.

EXPORT SERVICE HELPS TAP NEW MARKETS

Toastmistress Clubs Plan Nov. Seminar

The annual Fall Conference of Council 9, Golden Desert Region, International Toastmistress Clubs, Inc. will be an all-day "Leadership Seminar" to be held Nov. 16 at the Santa Fe Inn, 10478 East Valley Blvd., El Monte, with registration at 8:45 a.m.

Members of the nine Toastmistress Clubs of Council 9, under the leadership of Miss Margaret Setzer, Chairman, have invited women from over 600 organizations throughout the San Gabriel Valley to participate in the conference.

Mrs. Phyllis Johnson, program chairman, announces the eight workshops will include a workshop by Muriel Bryant, Past ITC President '66-'67 from Arcadia, on "Your Public Image." Others conducting workshops will be Dottie Heintz, Jerry Burns, Jean Widdicombe, Ina Potter, Ree Burnap, Jean Dorr and Beverlee Kelley, charm school training director for Sears.

GIRL SCOUT CAMPERS -- Learning by doing so they can show their Girl Scout troops how to, are Pat Erhard, Betty Burchell and Pat Kramer. They attended

a Girl Scout leadership training camparoo that reviewed some of the camping activities, held recently at Memorial Park.

REPEAT PERFORMANCE -- Two more productions of Moliere's "Imaginary Invalid" are scheduled for Friday and Saturday evenings at 8 p.m. in Founders Hall, La Verne College campus. The very funny French Farce is produced by the Drama Department of the College, directed by Mrs. Linda de Vries. Music is under the direction of James Fahringer, Assistant Professor of Music. Shown above are Eric Erven, center, who plays the lead role of Argan, the scheming imaginary invalid, and Paul Allen, left, and Bob Crutchfield, right, cast as two doctors in the play.

CANCION DE LA RAZA WINNER -- Suni Paz, a resident from Upland, is one of the fortunate winners of a \$50 consolation prize in the Cancion de la Raza Corrido Contest. Giving her the check is Francisco Ortega, assistant director of the Cancion Series, a project for the Mexican and Latin-American communities. Awards were given Columbus Day at the Belvedere Park.

Uganda Educator

LA VERNE -- Ernest K. K. Sempebwa, Assistant Chief of Education for the Ministry of Education at Kampala, Uganda visited the Bonita High school and the Ramona Intermediate school October 24 under arrangements made by the U. S. Department of Health, Education and Welfare.

Sempebwa is on a six weeks study tour of California and Wisconsin to study education in the

United States at various levels. His primary interests are in the areas of administrative practices and in the use of Educational Television.

Sempebwa was accompanied by Mrs. Bethene Velman from the office of the Los Angeles County Superintendent of Schools and was guided on the tour of the Bonita schools by Dr. Mitchell L. Gilbert, Assistant Superintendent of Instruction.

"STAR!" GAZERS - Actor William Gargan and Mrs. Sam Archuleta, of LaVerne, visit actual set from Robert Wise motion picture, "STAR!" which premieres Thursday evening, Oct. 31, at Fox-Wilshire theatre, Los Angeles, for benefit of American Cancer Society. Ornate set is replica of foyer to New York apartment of the late, internationally-famous Gertrude Lawrence, portrayed in the film by Julie Andrews. Both Mrs. Archuleta and Gargan are tireless ACS volunteers, constantly touring the country in its behalf since his own laryngectomy almost seven years ago. The number to call for information and reservations for the premiere and glamorous, star-studded Supper Ball, is 659-1410. Guests attending the Supper Ball will pass through the above set enroute to Sound Stage 21 on the 20th Century-Fox lot. Music for dancing will be furnished by Peter Duchin and his Society orchestra, and dinner will be catered by Chasen's.

Salesman of the week

JACK WARNER

Mr. Jack Warner led the Herbert Hawkins Co. Pomona office in number of sales last week. The company sold 288 properties last month including one sale for a total sales volume of over \$7 million. If you are planning a real estate move, we are pleased to recommend to you the professional services of Jack Warner.

Herbert Hawkins COMPANY, INC. REALTORS

DISCOURAGED TRYING TO SELL?

293 sales were successfully accomplished for our clients last month. The same advertising and sale promotional programs that contributed to the sale of these properties are available to you. Over 1000 factual ad presentations in 14 newspapers attract over 500 prospects each week. If you want encouragement in selling your property, just call our office nearest you and get in on the action!

Herbert Hawkins

TALL story

2 in fact
A Rare Find At Only \$15,500

Here is an older (but not too old) 2 story home in a choice Ontario area, situated on a deep lot with rear access for your boat or car.

The house has 3 bedrooms, 1 1/2 baths, hardwood floors and well to wall carpeting of choice. The front and back yards are landscaped with trees and shrubs. The back yard contains a separate play area for the kiddies - complete with swings - rings and a tree house - and to add to your privacy the front and back yards are completely fenced with chain link fencing. Also there are grape arbor and hedges too.

This fine home features hardwood floors plus practically new carpets, air conditioning, loads of kitchen cabinets and garbage disposal.

In the hall there is a pull down staircase that leads to the attic with loads of extra storage space. Right off the 2 car garage is a 20 x 10 foot patio - so handy for the home entertainer.

This home is located on a quiet street. The price is more than right at only \$16,750.

No down to GIs - low-low down to anyone else.

"I Wanna Go Back To My Cul-de-sac"

You will sing this song with us when you see this beautiful 3 bedroom, 1 1/2 bath home located in one of Ontario's finer areas. This home has all the features including a brick fireplace in the family room, refrigerated air conditioning, forced air heating, wall to wall carpeting and drapes. Oh Yes! Besides the all electric built-ins in the kitchen there is a bonus of a Kevinator washer and dryer.

The big 2 car garage is finished for your car and storage room. The lot is landscaped front and rear with trees and shrubs. The back yard is completely fenced for the safety of your children and pets.

THIS IS A HOT ONE! and won't last long at only \$22,250 with FHA and GI terms.

Luxury Living

Here's your dream home. A wide sweeping drive, to the executive 3 car garage. Ample space to park that car. Extravagant use of brick, framing this colorful wood and stone exterior. Entry hall leads you to his tastefully decorated kitchen, with built-in and loads of cabinet space, tiled counter tops. The huge spacious four to ceiling brick fireplace establishes the setting for this picturesque, deeply piled, carpeted living room. Carpeted hallway leads to 3 large bedrooms. Spill yourself in the luxurious 1 1/2 baths. From the living room, sliding glass door leads to the covered patio surrounded by fruit bearing trees, which are enclosed in a brick wall fence for your privacy.

Tucked away in one of the finest locations. Close to everything. Full price \$21,000. Call quickly - this home won't last.
